

This is to certify that Martin Allen had
A Waggon with Yoke of Oxen that went out to
San Antonio in the service of this Government
in Company with my own Waggon and
that that the said Waggon & team were valued
at three hundred & ten Dollars at San Antonio
and I my self were one of the appraisers, and consid-
ered the appraised low - and I have good reason
to believe the said waggon and team were pressed
at Gonzales in to the service again by order of
the Community at that place Given under my
hand at 8 mile point this 4th Day of February

1836
