Messengers need "Feet":

Rom. 10:14, 15 shows that gospel messengers must be trained, briefed, sent, supported, and eventually replaced. When daughter churches have been planted, they need strengthened to become strong, vibrant, missions-minded.

- How can we raise up those who can be sent?

- How can we support them and their work?

- How will we help to strengthen daughter churches?

- What are some ripe fields to target in the next 3 - 5 years?

- How will we raise the required resources?
