

Eyes Wide Open, AFSC's widely-acclaimed exhibition on the human cost of the Iraq War, is coming to the Pacific Northwest after a tour of over 40 cities.

The exhibit features:

- a pair of boots honoring each U.S. military casualty
- a field of shoes and a Wall of Remembrance to memorialize the Iraqis killed in the war, and
- a multimedia display exploring the history, cost and consequences of the war.

*Don't miss this powerful memorial and call for peace.*
