Faithist Lifestyle and Community

- A3-P14*** Since goodness can not grow from wickedness, light can not come from darkness and life can not come from death, Jehovih's Kingdom on Earth can not be founded or established within the cities and domains of the World's People, for they do not accept or believe in the Creator or follow His teachings and have become profane and corrupt.

Declination of War

- A5-P1*** As Faithists, we declare our rights, according to the First Amendment in the Bill of Rights of the Constitution of the United States, by adhering to our spiritual beliefs and following the will, instruction and commandments of our Creator, according to our bible, OAH SPE, not to engage in, participate in, promote, support, aid or abet wars, murder and violence in any way form or fashion.
- A5-P2*** Our Faithist instruction from our Creator forbids our voluntarily contributing taxes or funds, or relinquishing any such financial support, willingly, for the promotion and production of war, death and destruction of our fellow man.
- A5-P3*** We are instructed by our Creator, who has continuously and without variance or by-law, commanded, “Thou shall not kill.”
- A5-P4*** In mankind’s time on this earth, for the most part, has denied his Creator and rejected His commandments, setting up philosophies, ideologies, kingdoms, governments, saviors, gods, etc.. that pertain to self, self gain, self defense, patriotism and conquest, which has and always will lead to war and destruction.
- A5-P5*** By man not following his Creator’s commandments and engaging in war, he has brought on himself all manner of destruction, hardship, famines, disease and suffering.
- A5-P6*** As Faithists, we believe those slain in wars do not die with the mortal body, but live on in the afterlife in chaos, torture, and in the horrors of conflict and death they participated in; and in turn, inspire others in the spirit world and those on the earth to the same destruction.
- A5-P7*** Our bible OAH SPE states that the instigators, contributors, supporters and all the participants of war, having rejected and broken the commandments of the Creator, will be held accountable for their actions of destruction and be bound through the judgment of God for their deeds; for non can escape final judgment, nor the bondage thereof.
- A5-P8*** As Faithists, we are sworn in our covenants to the Creator, that we will abstain from all aspects of, or any participation in the act of war, murder and violence, at all costs, and bring about peace when possible.

Court Jury Declination

- A6-P1*** As Faithists, we are covenanted with our Creator not to judge, censer, find fault or evil in any other person in what they do; for it is between them and their Creator.
- A6-P2*** In our Faithist beliefs, to judge someone is to be spiritually bound to that person, whether they be innocent or guilty.
- A6-P3*** As Faithists, we believe if we sit in judgment of those accused, and they be found guilty, and a course of retribution is inflicted on them, we would be bound to them until they are reformed, either here on this earth or in the afterlife following mortal death.
- A6-P4*** As Faithists, it is our belief that if we judge someone guilty and they be innocent, we would be held in spiritual bondage to that person until we pay restitution and be forgiven by that person, either here on this earth or in the afterlife following mortal death
- A6-P5*** In the public court systems, whether a person be innocent or guilty, lawyers perform and compete in their professions for personal glory, esteem and profit, and in this process the truth can become obscure.
- A6-P6*** As Faithists, we have been instructed in our bible OAH SPE that prisons of cruelty and torture and the act of capital punishment are against the will and judgment of our Creator.
- A6-P7*** As Faithists, it has been revealed to us that over time, it is better to redeem and rehabilitate those in darkness and sin than to punish them only.
- A6-P8*** As Faithists, we have been instructed by our Creator to return good for evil and punish no one.
- A6-P9** As Faithists fulfilling our covenant with our Creator, we respectfully decline sitting in judgment of others in a personal manner, or collectively on a court appointed jury.

Health Care

- A7-P1** As Faithists, we have the liberty and right to choose our own personal health care system and healing methods according to and aligned with our Creator's instruction and inspiration.
- A7-P2*** In our quest for optimum health, we strive for purity of mind and body, so that purity in spirit can be realized, resulting in a higher awareness and connection with our Creator.
- A7-P3*** As Faithists, it is our spiritual belief that impurities contaminate the body and corrupt the flesh, reducing the purity and clarity of spirit, resulting in a reduction of our Creator's Light, Life Force and Ever Presence within our being.
- A7-P4*** As Faithists, we have been instructed by our Creator not to kill animals or consume their flesh and blood and other by-products that contain their genetic character.
- A7-P5*** As Faithists, it has been revealed to us that consuming flesh foods causes physical corruption, mental and emotional contention, spiritual darkness and a disbelief in the Creator and His Ever Presence.
- A7-P6*** As Faithists, our Creator has revealed to us that the habits we form on this earth, be they good or bad, will follow us into the spirit world after mortal death and determine the ascension of our souls into the heavens above.
- A7-P7*** As Faithists and in our overall health care, first and foremost, we believe, promote and practice optimum spiritual health through prayer, meditation and communion with our Ever Present Creator.
- A7-P8*** As Faithists , we endeavor to achieve optimum mental, emotional and physical health and the prevention of sickness and disease through diet, lifestyle, purity and cleanliness of our body and surroundings, who we associate with and where we live.
- A7-P9*** As Faithists, our Creator has instructed us against inoculations and to forswear such.
- A7-P10** Inoculation serums are produced by growing diseases on the flesh and corruption of animals.
- A7-P11*** It is against our Faithist beliefs to consume any impure products or products that are of the flesh and blood of animals.

Article 7 Health Care

- A7-P12*** It is against our instruction from the Creator to kill any living animal.
- A7-P13** The use of inoculations are the result of unclean living habits, unclean surroundings and the defilement of our Creator's laws and commandments.
- A7-P14*** It is our Creator's instruction to heal by virtue instead of vice.
- A7-P15** As Faithists, it is our spiritual right to choose what health care methods we use, be they natural, holistic or current medical practice and technologies; for all have been given to us through the direct inspiration and design of our Creator
- A7-P16** As Faithists, it is our covenant with our Creator to adhere to, as closely as we're able, to His standards of purity and health.
- A7-P17*** As Faithists and in our liberty to choose, we accept full responsibility for our decisions and actions and the fates they bring.
- A7-P18*** Ultimately, we are all responsible for our own lives on earth, to judge ourselves and to be judged by God in the Light of our Creator, accordingly.
- A7-P19*** As Faithists and in our liberty of choice, so do we give the same to others.

Education

- A8-P1** As Faithists, we have been instructed to live our spiritual lives here on this earth to our faith's fullest potential, by adhering to our Creator's will and suggestions.
- A8-P2*** As Faithists, our children and those children in our care, have been given to us by our Creator, to raise up into His Light, Understanding and Presence.
- A8-P3*** The World's influence on children has a powerful effect on them.
- A8-P4*** Children are receptive to both good and evil and will learn from and act according to their immediate surroundings and their influences.
- A8-P5*** As Faithist, we are instructed by our Creator to be a separate society away from the World's People.
- A8-P6*** The society of the World's People has been established on the principles of flesh, mammon and materialism and not on the ideals of spirit.
- A8-P7*** The World's People do not recognize our Creator as being the sovereign benefactor to mankind, Who gives to all what is needed, wanted and even life itself.
- A9-P8*** The World's People are materially oriented and not spiritually centered, having faith in the earth and not their Creator.
- A9-P9*** The World's People , as a whole, are born of the beast (flesh) and not of the spirit.
- A9-P10*** What the World's People teach to be first and foremost, to the Faithist is last and the least.
- A9-P11*** The earth and its materialism is but corpor with no intelligence or spirit and impotent.
- A9-P12** To learn of the earth or corpor only is to learn of sedimentary darkness, resulting in eventual degeneration and demise of the holy human spirit.
- A9-P13*** Our spirit and soul is a very part of our Creator, given to us by Him, Who is the cause behind all, the reason for all, and is the potent.
- A9-P14*** To learn of our Creator is to learn of all, and increases the light and life in each of us.

Article 8

Education

- A8-P15*** Mortal life on earth is but the birth place of our spirit, which after physical death, rises up into the heavens, progressing forever.
- A8-P16*** Education that advances this knowledge directs us to find our Creator in all things.
- A8-P17*** That which is taught to help each person to be morally correct, self supporting and to help others to the same, is true education.
- A8-P18*** Education is the acquisition of knowledge and all knowledge comes from the Creator.
- A8-P19*** That which hinders the true understanding of life is against the flow of knowledge that comes from our Creator, the Fountainhead from which All Life Springs.
- A8-P20*** As Faithist, we adhere to a non-aggressive, non-resistant, vegetarian lifestyle which develops co-operation, unity and harmony.
- A8-P21*** As a society, the World's People have not given up the carnivorous habit which influences and promotes a competitive and contentious behavior and lifestyle.
- A8-P22*** As Faithists, we have been instructed by our Creator against inoculations, and in the public school system our children are constantly exposed to various flues, viruses and diseases.
- A8-P23** As Faithists, our Creator has instructed us in a different course of science, evolution, history and time lines.
- A8-P24** As Faithists, we adhere to our Creator's spiritual and cosmological cycles of time for our Sabbaths and spiritual days of observance.
- A8-P25*** Our Faithist practice of Sabbaths and spiritual days of observance do not parallel with the Christian based time schedule the American society, its federal, state and local governments, and the public educational system follows.
- A8-P26** As Faithists, we have discovered that by using the public educational system, we can not properly or with total commitment, observe and follow our spiritual beliefs because our children are forced to follow a cycle of time that conflicts with our religious convictions
- A8-P27** This tears at the very fabric of our spiritual faith since we cannot live our spiritual lives together as a family according to our Creator's will and instruction.

Article 8 Education

- A8-P28** As Faithists, if we allow our children to participate in today's public educational system, all its influences and its Christian based time schedule, it leads them to believe and allows them to think that our spiritual beliefs, as parents, are inferior to other religions, public opinion, and man's government with its regulations.
- A8-P29** This puts our religious and spiritual belief system secondary to other religions and to man's government.
- A8-P30** In this, our rights according to the First Amendment in the Bill of Rights of the Constitution of the United States have been disallowed and abridged.
- A8-P31*** For these reasons and others unlisted, We as Faithists, being parents, guardians and caretakers of our children and any other children in our charge, must educate and raise them in the guidance, instruction, inspiration and will of our Creator.
- A8-P32*** In liberty to all Faithists, yet unbinding, it is our decision, if chosen, to educate our children away from the atmosphere and domain of the public educational system.
- A8-P33** As Faithists, we know we can not change the system and order of the World's society to our thinking and we would not.
- A8-P34*** As Faithists, we wish not to interfere with the liberty of others, for liberty is a God given right from our Creator, to all in this country.
- A8-P35*** What each of us choose is between us and our Creator, and there, ultimately, the responsibility lies.

- A9-P7** In light of this information, and respectfully framed for your understanding, these are our times of spiritual observances.
- A9-P8*** Old Year's Day - The Most Holy Sabbath Day. Celebrated on the Summer Solstice, the last day of the cosmological new year.

Spiritual Principles and Conduct

- A10-P1*** As Faithists, we believe that our Creator is as Ever Present today as in times past.
- A10-P2** As Faithists, we believe we are inspired continually by our Creator's presence, to learn of this life on earth and what awaits us in the afterlife following mortal death.
- A10-P3** As Faithists, we also believe that revelations of the past have been handed down through time to man in the present, from our Creator through His God and Angel Ambassadors, written by and through their prophets, to assist man in his overall advancement, design, destiny and social structure.
- A10-P4** Furthermore, we believe that all of Mankind has reached the awareness he possesses by the knowledge and wisdom that has been given to us by our Creator, through His many prophets and channels of enlightenment.
- A10-P5** What has applied to the ascension of man's spiritual nature in the past still holds true in our lives today.
- A10-P6** The teachings of the Master's should not be forgotten or put aside, for they teach us how to live with one another in peace, love, unity and harmony, for our joy and spiritual unfoldment.
- A10-P7** The past revelations are as rungs on a ladder by which we climb to the spiritual freedoms in our Creator's higher heavens.
- A10-P8** As Faithists, we feel and fear that without such spiritual direction the world would be in much chaos and darkness.
- A10-P9** As Faithists, we believe we should not dismiss the past revelations of our Creator and live by inspiration only, rather, we should learn from the past, receive our Creator's direct inspiration in the present and go forward into the revelations of the future and its illumination.
- A10-P10** What has been revealed in the past has had its influence on our spiritual nature, what will be revealed in the future will be given at a time when we are ready to accept and understand such revelations.
- A10-P11*** In this understanding, as Faithists we practice and observe our Creator's laws, given to us through His Angelic Hosts and prophets of the past.
