Deb’s sisters came to Canada for a visit

Our first

Christmas tree

Our absolute favorite thing to do together is exploring God’s nature. We sure have done a lot of that. We have loved going on frequent hikes in the back woods of Canada!

We want to thank each and every one of you for being our friends, for your prayers, and your support. We would never be able to make it without you! Thank you!

“We give thanks to God always for you all, making mention of you in our prayers.” 1 Thes. 1:2

The Happenings...

We have been so blessed to be living on a wonderful beef farm since April. Our landlords are wonderful and we love living in the country, but with the perks of having the town only 5 kilometers away!!

Norman has been working so faithfully at a car seat production company called Johnson Controls. He transferred from the Shelburne plant to the Orangeville plant in February. This has been nice because it is much closer to home. Although, he was put on the graveyard shift (10pm-6:30am) He works so hard to provide and is extremely faithful to what God puts into his everyday!

He has also been very busy with multiple occasions to speak at our church and youth group. This has been a wonderful experience staying in the Word and having great projects to work on together as a couple.

Debra has been keeping herself busy being a house wife and picking up a few odd jobs here and there. We have been working on getting permanent residency status. Thankfully we have turned in the papers and the rest is up to the government to process. Be praying that God will provide funds for our last payment due of \$1,000 Canadian. It sure is expensive to apply, but it is wonderful to have the opportunity for the Lord to grow our faith, in that He will provide. She has settled in quite well living in a new country and has had a wonderful time making new friends and learning how to pour milk out of a bag!

We have been loving married life. We have grown so much as a couple and in our walks

with the Lord. We will be celebrating our 1st anniversary in a few days! Thank you to all who attended our wedding and sent us cards and gifts. We have really enjoyed getting to know each others friends and family.

One of our hobbies as a couple is animals. We have two gerbils, two turtles, and a millipede. We also say we have a dog, its our landlord's dog, but we love taking her for walks. We are constantly surrounded by cows and various animals living on the farm! We love it!

Our Plans So what's the next step? Well, this

August we are headed to Durham, Ontario to continue the New Tribes Mission training. We will be entering the two year program.

Our first year will be Missions Institute, where we will be learning how to live cross culturally. Our second year will be Linguistics Training, this is when we will be learning all about language: the phonetics, phonemics, learning how to learn a new language. We are very excited to get back in the training. This will be yet another faith journey, we will not be allowed to work during these two years of training, thus we will be relying completely on the Lord and his provision.

Prayer Requests

- Financial support for Missions Institute and Immigration fees
- For Norm as he works very hard on the graveyard shift
- Continued health for the two of us
- That immigration will come through smoothly
