Extending Our Sig Family

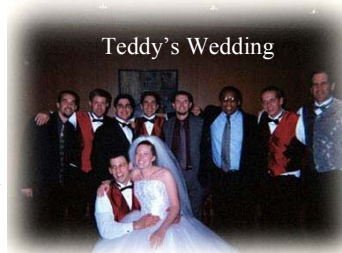

This year, our Capital City family had many new additions, not only in our direct membership, but in the families of our members. Brother Eric Emery was blessed with his first child, Benjamin Cooper Emery

14 ounces. Congratulations to Tim and his wife Erica. Also, congratulations must be given to Capital City

member Teddy Novin on his recent marriage to Kristi Lynn Altringer on Sunday, December 8, 2002.

SIgnificantly Social

While the roots of our Fraternity tie us to a literary society, the Capital City Alumni Association is a social organization. 2002 was a year in which we made this well known. Through attendance at such places/events as a Bowie Baysox game, the Arlington Cinema & Drafthouse, the Marine Corps Marathon, and our Holliday Party we loosened our ties and came together for some relaxing good times.

Local Undergraduate Chapters

2002 was a year in which Capital City nurtured and strengthened its bonds with the local undergraduate chapters of Sigma Chi at George Mason University and American University. In February, we held our first Peterson preparation workshop which was an astounding success. Capital City was also happy and proud to welcome the newest Sigma Chi petitioning local, Sigma Chi Sigma at Johns Hopkins University. Under the leadership of brother Joseph Chung, we have no doubts that they are bound for success. Within the next year, our hopes are to expand the relationships we have with these chapters and help them grow the best that we can.
