

School Statistics: Online Data Sources

David Slowik, ETC 408, (267) 341-3503, dslowik@holyfamily.edu

You can search within the following sites for education statistics in table or report forms. In some cases, the data is available for download as an Excel file. Then you can work with the data in Excel, and import it into SPSS for more robust statistical analysis work.

NCES: The National Center for Education Statistics (NCES)

The primary federal entity for collecting and analyzing data related to education. The “Tables & Figures” tab links to several of the government’s data tables. The link is <http://nces.ed.gov>

U.S Dept. of Education
