(0.a.) 1. ron hubbard's vampirism, his Hate of Life and of all people and his followers alike

"He [l. ron hubbard] would give enormous praise and admiration to someone,

(making that person convinced, l. ron hubbard is his greatest friend and supporter)

"and then, as soon as that person had left, behind his back, he [l. ron hubbard] would burst out into swearing and violent hate

"...against that very same person - who had just left with enormous praise and admiration given to him, directly and personally by l. ron hubbard."

(quote adapted from Appendix A)

It is one of his (l. ron hubbard's) methods, to pull the Life Energy out of a victim:

By giving great praise and admiration to the victim, the victim WAS MADE WHOLLY UNSUSPECTING of and thus also defenseless against the Satanic practice by l. ron hubbard, of vampiring on the Life Energy of people - victimized by him also in this way.

He applies THAT to ALL of his 'Scientology' adherents, too, by telling them, that "they are extremely important and doing the greatest work ever;" that

"they are helping him [sic] remove all evil from Mankind and from the universe - and that, for all time to come - "

"by studying (which he calls 'duplicating') his every word AND executing (doing) very precisely what he says:"

With those PRETENDED goals of his, "his goals for them and for Mankind" - "for all eternity," even - the adherents of l. ron hubbard are made WHOLLY UNSUSPECTING of it (his goals) being the very OPPOSITE:

How much he HATES everyone of them (and all people) - but hating them behind their back -

and how much HE REALLY HATES Life itself;

And he makes them unsuspecting of

what atrocious lies "about himself and about his intentions for people, and about his goals for Life and for Mankind," he tells and writes:

All his lies, that you can find in his writings and in his lectures about Scientology and Dianetics.

By PRETENDING to describe "his true intentions," he HIDES from his followers - and from any naive or uninformed reader - his tremendous Hate for Life and for all people.

To any, even moderately endowed student of Life, however, his Hate is very obvious.

(0.b.) His "critics" are inhibited by their OWN Hate of the nature of Life and of people

His "critics" however, NEVER MENTION (his) Hate of Life - because mentioning Hate - the root, the crux of the matter (which IS l. ron hubbard's Hate - is 'too close to home' for THEIR OWN comfort.

Meaning:

Many 'critics' are themselves severely immersed in Hate, AND proud of that, too,

which (Hate and pride of Hate) keeps them spiritually Blind (blocked from Perceiving Life and people as these are).

They act as "critics" BECAUSE OF their OWN hidden Hate for Life:

They HATE Life for it (life) being, by its very nature, spiritual, and

they HATE Life for it, Life, existing ONLY because of, and by means of Life Energy.

{definition}

Meaning:

Their Hate of Life, is THAT severe, that they DENY Life itself to exist:

"The soul 'does not exist'," "Life Energy 'does not exist'."

The very nature of Life itself, is tremendously Hated by them

- oddly enough, you might say, and I repeat this very important fact, here:

It is that very Hate, the Harmful Life Energy Particles of Hate, that prevent them from PERCEIVING what Life actually is, and what people actually are and who people (also those they know), really are.

They very, very literally HATE to see Life as it is.

Some get into worshipping Buddha or Gandhi, with methods and techniques of PRETENDING:

that "when one can be made NOT TO FEEL Hate existing," (when you are blocking oneself from feeling existing Hate)

or "when you made yourself and others wholly UNAWARE of Hate" (to exist at all)

THEN "Hate does not exist" and "does not influence one's life."

Like: "When you make people UNAWARE of radioactivity, then it will not affect them"

- a statement, that will not earn you many friends in the city of Hiroshima (Japan).

Once again, also that, boils down to a Satanic activity:

Putting into practice, the viewpoint, that "it is only in someone's mind" - it is in your imagination only, they mean - "that Life and feelings exist or become manifest."

That Satanic "truth"

- that "Life is: whatever you
convince (yourself and others)
with certainty, that 'it is',"

"Life is an illusion," or "Life
is a game against others" -

as the Sociopaths feel "Life is."

It is a PRETENSE of Life:

Their Satanic "truth"

is completely disproven by living Life
and by using the mathematics of Life
itself: {Fine Particle Physics}. {FPP}
*(d)

In other words, the "critics" of l. ron hubbard are
secretly HATEFUL of Life and people,

AND l. ron hubbard is secretly HATEFUL of Life.

- Only, l. ron hubbard (Satan) HATES LIFE AND PEOPLE to a
depth and intensity, that is well beyond your current
ability to imagine, as really existing.

(0.b.1.) (Envy)

But you can figure out something about it:

It is an interesting fact, that ALL statements by
l. ron hubbard

"about himself" and "about his goals," and
"about the aims of Scientology,"

and all his writings and lectures and actions
related to it,

ARE MADE AND DONE BY HIM OUT OF ENVY of an ACTUAL
savior of Mankind and the Universe.

He (being the very opposite, really, he) CAN NOT
be that of course,

but HE CAN - for some time which is now ending, he
could - PRETEND to quite a number of people, to be
"the savior of Mankind and of the Universe,"

by stealing some spiritual betterment
techniques from others (from Volney Mathison
in particular),

and by adding to it, his own INVERTED ideas

"about the soul, about people's interaction,
about life forms, about Mankind and about
the Universe"

filling the vacuum of an area - spirituality -
that the Sociopaths managed to kick OUT of
science, in order that it - spirituality -
would neither be codified nor scrutinized.

(Satanic Charisma of the tyrant)

We won't go here into the Life Energy
Particle aspect here, of how he (and any

tyrant) acquired his "Satanic Charisma."

Him actually pursuing his activities for the major part of a life time,

may serve to give you at least some vague idea of the CORE of his inconceivable HATE for Mankind. *(c)

(0.c.) Both l. ron hubbard AND his "critics" are motivated by ENVY of the very capable and caring (of me, for instance)

Just like l. ron hubbard himself is motivated by ENVY for the very capable and caring, so also do his "critics" act out of Envy - as they prove continuously, [SFTF]

out of ENVY for very capable people, like me, who BY NATURE ARE very capable and very decent and ARE uncompromisingly-truthful, and ARE ACTUALLY caring:

Their ENVY shows in their 'pretending to be vastly superior to me' - and in their studiously IGNORING or even wholly DENYING my existence. Or if that fails, then to ridicule, that I actually exist and that I did do work that is very far superior to theirs

(and many have been active in, and some ordered and did organize other Sociopaths, ACTIVELY PLOTTING

- l. ron hubbard Scientology Dirty Tricks
'Bureau One' style and direction

"in order to protect l. ron hubbard's
'reputation' meaning, their power and
control over people, based on his lies -

to get my life destroyed,

and they succeeded in completely 'eradicating me,'
in Bamberg, in September 2000.

And they wanted and organized and did so proceed,
solely BECAUSE of my competence and BECAUSE of my
vast love for people,

and BECAUSE of my doing the basic work of Human
Rights,

that they were not capable of doing themselves,

let alone, willing to do, and very much less so,
also to publish

- which I however DID do:

in the RI-series, published by me indeed up
to September 2000)

but they were, and are

COMPLETELY denying my work (also my present work, the
HRI and FPP Issues - that, by 'eradicating me,' they had
hoped forever to have prevented from being created and
from seeing the light of day,

to prevent the creation of those works of Human Rights
Philosophy, of which the value for society as a whole,
can be calculated in multiples of Gross Domestic Products.

DENYING my work then and now, they are nevertheless avidly
digesting it, to distill it into their own "self-developed"
ideas and courses of action - or else in order TRY AND
REVERSE my work (to know and thus to make others do
precisely the opposite) [CMKWTT] [CMHJL]

because of their secret Hate of Life,

drenched in 'Humanistic Rationality' as some
of them call their viewpoints:

They like to think of themselves as belonging to
"the better and - most of all - the rational part"
of humanity.

Little do they know...

Again, their ENVY is quite like l. ron hubbard's ENVY of
and JEALOUSY for those of ACTUAL capability and of ACTUAL
insight and of ACTUAL care,

but his, l. ron hubbard's (Satanic) ENVY and
JEALOUSY, is of a depth and depravity, that is, once
again,

surpassing your current ability, even to imagine it
as really existing,

let alone to fathom, and actually to feel or
sense, that such as his ENVY, JEALOUSY, AND
DEPRAVITY, ACTUALLY EXISTS and really has been
created by him and has been and is being
inflicted by him.

(0.d.) 1. ron hubbard and his (ex-)followers' JOY of PRETENDING
"to eradicate Evil from Mankind"

And then we have the (ex-)followers of l. ron hubbard (of Satan), the (ex-)Scientologists:

THESE ENJOYED TO PRETEND "to eradicate Evil from Mankind,"
TO PRETEND "to create a world without criminality, without war and without insanity."

IF they HAD wanted that, then they would as a first thing, have looked at and EXPOSED l. ron hubbard and recognized him as Satan,

they would have examined and uncovered his actual, CORRECT past (lives),

and as a second thing, they would have worked to locate and eradicate his Harmful Life Energies, if only those inflicted by him into themselves, [AWL-I-XII]

and they would have built an actual LEF-meter that DOES register his Harmful Energies (at 5 Hz and above). [IPA]

IF they WERE ACTUALLY interested in eradicating Evil from Mankind, they would have joined me.

But they were VERY PROUDLY and VERY ARROGANTLY PRETENDING to be "the ones who face and eradicate evil"

- as l. ron hubbard (Satan) had told them "they are the only ones, who do:"

his telling them, with all kind of fancy talk and stories of conquest, fake past lives and false cosmologies; and

his giving them resounding titles of "planetary
this and that" and fake Navy uniforms

(and very harsh discipline and no money, so
they would not manage to leave physically
either, and if they left or let anyone leave
they "would betray Mankind itself for all
eternity")

they were ENJOYING IT, to NOT AT ALL FACE the real Evil,
him, Satan, l. ron hubbard,

and most are still immersed in (his Energies, providing
them with) that Satanic JOY, of PRETENDING to each other
and to the world, that THEY want to "FACE AND REMOVE EVIL:"

They wanted to PRETEND TO REMOVE Evil,

which is obvious from the very facts of the matter:

They did NOT FACE, DETECT and EXPOSE and THROW OUT
l. ron hubbard,

which would have been - and is - THE FIRST STEP in
removing Evil from Earth and beyond.

(0.e.) Definition of Truth

Definition of Truth:

'Truth is defined in your soul, as

'That what happened - plus, who caused it, plus,
the intentions of who caused it;'

- truth then (though it can be hidden in various ways) is absolute, it obviously can not ever be erased, no matter how distant in time it has come to pass;
- truth further, having become part of The Creation the moment something happened or was intended, can forever be remembered or viewed, also by others.'

{definition}

Koos Nolst Trenite
human rights philosopher and poet

That is not a theoretical definition, but a definition borne from results (which were provided to you by me and others).

(0.f.) A Natural Human Rights Order

If you had sufficient knowledge about, care for and understanding of Mankind, and of Life itself, then

you would have given this order yourself, and I would then not have had to do so.

The order is called a Human Rights Order, because it is based on a sufficient understanding of Human Life on Earth

- and thus of Natural Human Rights -

as found now, in the Human Rights Issues and in Fine Particle Physics.

It is thus a Natural Human Rights Order, and it reads as follows:

1. The actual Human Rights Order

Anyone who supports or aids or promotes the individual soul who is last known as l. ron hubbard (L. Ron Hubbard of Scientology),

is an enemy to Mankind, to the degree of any aid, support or promotion, that is given to or intended for that individual soul (last known as l. ron hubbard and now easily identifiable).

This particular order can not be revoked, and remains in force for all eternity, as explained below.

Not only sufficient data, but also sufficient understanding, has been made available to you - and made accessible by you - to be able for you to comply with this order,

and also to understand its additional order: of being permanent, of being irrevocable for all time.

(2) Remembering the past is remembering the Sociopaths who destroyed your memory of them

The order applies, retroactively, also to those who have IN THE PAST in some way supported that individual, that soul (l. ron hubbard or Satan),

by (as I did) not recognizing him in time,

or by wanting to be Admired by him - Admired by him FOR NOT recognizing him as he is, or FOR executing his Evil -

or by wanting to ENJOY the flow of his unrestrained, unbridled and successful Evil - Evil cleverly hidden and thus un-recognized or un-opposed -

and by contributing to that Evil. [ODE]

Having in some way supported him IN THE PAST, naturally does INCLUDE such times and circumstances of support, you having given to him in any past lives:

To be only aware of your current life time, is an extremely UNNATURAL condition, that is being forced upon you by the Sociopaths.

Imagine for a moment, that you are being allowed ONLY THE MEMORY OF THE PRESENT DAY, to be accessible to you.

That means also, that someone who yesterday knocked you over and stole all your money, is not recognized by you now, because "you have no recollection of it."

It is NOT LESS UNNATURAL and not less harmful, to have forced upon you, FALSE "past lives" "of yourself" and "of others."

Actual past lives are as valid as your present life or any other existence of you [PLDHD]

- regardless of your loss of memory of

(you are currently lacking the Life Energy with which to remember - to feel and connect to - some or much or even all of your past lives, resulting likely in your failure to recognize or know)

WHO those Criminal Minds (the Sociopaths) are, that existed (obviously, also) in your past lives.

And of particular interest are of course those Sociopaths, who have taken away and keep taking away, your Life Energy

(that specific, Connecting-type Life Energy, that you use, for your Perception of the past and thus)

for remembering your own past.

(2.a.) (Alzheimer's)

Those who have become Alzheimer's victims, would be particularly interested in detecting WHO are those Sociopaths.

So, quite vital - and literally vital of course - would be TO REMEMBER AND ALSO TO RECOGNIZE those very Sociopaths,

who are constantly taking away (smashing away, pulling away) Life Energy from you and from your body.

Which they CAN do in the first place because they have 'installed' (inflicted) Weak Spots and Blind Spots in you and in your body's Life Energy structures,

by means of past-life infliction of atrocities on you,

intending (and likely resulting in) the slow death of your body, as by the infliction of pain, and then occasionally drugs "to do you the favor of not feeling the pain,"

while at the same time intending to inflict severe damage into your soul, of the hypnotic kind - on and on till they can't keep your body alive anymore.

Such are the Sociopaths... no respect for life or people, whatsoever. People are just toys, or batteries, for them.

It is the lack of Life Energy for detecting

Sociopaths, that then results in, what we are supposed to call "modern scientific thinking," "academic research," or "true rationality:"

Where adolescents and adults alike, must "rationally" believe - and are taught in school, college and university - that

"their own Life Energy does not exist."

The Life Energy Structure of their own BODY, is not even pointed out (much less that of other living organisms).

With the result, that a curriculum in 'How to make people miserable, sick, and stupid about any bad condition they may have,'

is taught in only seven years of mainstream Medical Study - under the guise of calling it "helping people." *(a)

(3) Denying the nature of Life and of people, stems from
HIDDEN Hate

It is not difficult to understand these Sociopaths - the Bill Nye's and Carl Sagan's who so loudly "demand science and rationality" -

their PERSISTENT AND LOUD DENIAL of the nature of Life and the nature of people - which includes denying their own nature - (their denial) is born from Hate for Life, Hate for people, and Hate for themselves.

Examining their very public denial, but most of all their PERSISTENT, COMPULSIVE DENIAL of the very nature itself of Life and people

- and that includes a 'not-blunt' but instead a "clever," "spiritually educated" denial of the ACTUAL nature of Life:

by those people, who use "spiritual knowledge" to give you a FALSE past

in order to PREVENT you and themselves from facing their REAL past

(and in particular to make you NOT FACE any real Sociopaths in your past)

a "clever" denial of the correct, ACTUAL PAST, as well as of the correct, ACTUAL IDENTITY of people

PRETENDING also a FALSE past "to exist" of Mankind, and of Earth,

all of which results again in denying the ACTUAL nature of Life,

examining all that, (when you examine all that) then

an - extremely valuable and very workable - fact
does jump into view:

It is out of HATE - they are denying the actual nature of
Life - out of (because of) Hate for themselves

(for themselves being spiritual by their very nature
- which THEY HATE),

and Hate for Life itself (Life being spiritual by its very
nature - which they HATE):

The spiritual nature of people, obviously, DOES
include their correct, ACTUAL past lives

- and the Sociopaths HATE that. [PLDHD]

Again:

Individuals who keep on DENYING their own and others'
correct past lives,

also those individuals, who do persist in PRETENDING
and offering FALSE "past lives" for themselves or
for others,

also those who keep offering a FALSE "past" for
Mankind in general, (like the Big Bang, etc.)

which IS a form of denying the past, really,
BY substituting it with a FALSE "past", [PLDHD]

such individuals ACT OUT OF (hidden) HATE:

Why else would one even WANT to deny one's actual
past... or want to replace it with a FALSE one.

It IS HATE for themselves, that compels them to DENY...

...the biggest and most interesting and most important part of themselves and of others:

one's past, which is really huge!

But instead of examining their OWN past lives - their OWN history, that is - some people dig into family trees and ancestry:

By "examining their roots" in genealogy, they pretend to examine but in fact they DENY their own or others' actual past-lives as a soul, as a spiritual being

- which is however not tied to ancestry, though a soul may try to get re-born into the same family. [FPL]

They feel HATE towards being correctly aware - which often compels them to violent, malicious or criminal behavior.

And (to destroy that reality - to destroy their own correct awareness of themselves) they might work up a rage,

even, to oppose merely being REMINDED, that it IS POSSIBLE FOR ANYONE to go and correctly remember things,

that is, to remember whatever actually happened in their past (lives), and what was done by whom to others, in any past (lives). [FPL]

Not surprisingly, you will detect Hate-Energy surrounding them, which of itself is (a wall of Particles) Blocking them from feeling (things and people) correctly.

And if it is Hate inflicted ONTO them

(rather than self-generated Hate, which is intended by themselves - but when it is inflicted ONTO them),

and if they don't hold on to it too hard,

then you can - or they themselves may want to, and can by themselves - REMOVE that Hate Energy

which consists simply of Harmful Life Energy PARTICLES and which can thus be removed:

By detecting these Particles and their source

- by observing, looking at, sensing, feeling, Perceiving the actual existence of (the absolute Truth of) actual Hate Particles,

and that includes also, WHO actually inflicted or inflicts these -

thereby you are likely to neutralizes and dissolves those PARTICLES.

In this case, you might correctly say, that it is the Absolute Truth that may set you free.

Detecting and seeing what is actually there - the Absolute Truth of it.

It has nothing to do with faith - unless the faith coincides with the Absolute Truth of what is there.

(4) Revoking also past activities supporting this individual
(Satan)

So the Human Rights Order applies, retroactively, also to those who have IN THEIR PAST in some way supported that individual, that soul,

and that includes those past lives in which you or someone else may have been TRICKED into supporting - OR FORCED INTO supporting - the mentioned soul,

who is now known as l. ron hubbard and can now be studied and referred to as such.

Obviously this Human Rights Order applies to the extent, that someone does NOT revoke, or refuses to revoke and to denounce, support that was given in the past for that individual (for that soul, for that spirit), [CDOS]

naturally including any support one may have given to that individual in the past of past lives.

By definition, your past lives are not less lived, and not with less future conditions created by you then - of course - as much as you do create future conditions also now, in your present life time.

It is all very down-to-Earth, and nothing mysterious at all:

If you don't detect and curb the influence of Sociopaths (also from your past lives), then these may very well again ruin your life - and possibly remain undetected at the start of your NEXT life time, as well.

People who keep DENYING their own and others' FUTURE lives to even exist, are equally immersed in HATE

of themselves and of others, and of Life itself,
obviously by REFUSING to embrace Life and refusing
to care for Life, for their own life, and for the
life of others,

expressing as they do, their "Beautiful JOY of
Hating Life," with obscene phrases like 'YOLO'
or "You Only Live Once."

(5) **Protect (your) future lives, by identifying and curbing the Sociopaths**

Example: (not destroying slavery)

If the people of China and of South Korea do NOT destroy North Korea's horror regime and its slavery,

then people (of China and South Korea, or people of Japan, and further away, of ANY country, ANY person) including

you may wind up BEING BORN IN NORTH KOREA

- INTO SLAVERY AND HORROR!

(about your future, your next life time)

On the matter of rebirth, you have to study Life YOURSELF

...RATHER THAN wanting to have the Sociopaths or their followers and pupils, including ALL mediums or psychics, "explain Life" and "teach spirituality" to you or to your friends - BECAUSE THEY HAVE IT WRONG - VERY wrong.

If you study Life YOURSELF, you would come up with examples like the above, about (also your) future lives.

NEVER accept "explanations" or "understanding" - from even the biggest expert - ONLY accept their DATA, their OWN and correct observations.

If you do indeed examine the very AVAILABLE data

(and do REJECT ALL prevalent "explanations" or "understanding" of the data)

on the subject of life and death and birth again, then

you will find, as I did - by thorough research of ALL available data - you will find, that

THERE IS NO "automatic," "Divine," "Cosmic" nor "Karmic" Justice or "Karma," AT ALL - neither after death nor at re-birth, not in being blessed with health and wealth, and not with the opposite, of being stricken with disability or illness etc.

That you feel, you may want to have people who deserve it, punished, is not part of the Energy of Life. [DGC]

If you do feel punishment must be inflicted as a form of "Justice" towards someone, and if you even feel like taking revenge,

it is probably, what the Sociopaths themselves have forced you to think or to feel as "doing Justice:"

Like this: "'RATIONALLY,' you must inflict suffering and pain now, onto 'someone who deserves it,' and 'for whom it is good, to feel that suffering, now'." [DOJ], [HRD-01]

Crime PREVENTION or CONTAINMENT of crime, is a wholly different subject, in which DETERRENTS and BARRIERS are used.

If you DO study history (which includes of course your and others' CORRECT past lives), you will find, that

there is NO "automatic" Justice whatsoever, or "Karma" as some like to call it: IT DOES NOT EXIST - it does not exist for anyone, regardless of what you may wish, that "there should be."

Why do bodies of spiritual knowledge, like Buddhism and Hinduism and also their off-shoots like New Age spirituality,

(why do their adherents) NEVERTHELESS assert entirely FALSE ideas about cycles of 'death and birth'

as "providing Justice" for Earthly crimes or for one's shortcomings in Life?

WHY do they ALL pretend a completely fictitious spiritual "evolution," and why do they claim, that you must pursue an 'end goal' of an entirely undefined "enlightenment" or even "annihilation"

- ENTIRELY FALSE ideas as these are,
AND CREATED, DESIGNED, to enslave any
and all:

out of one's own free will to
enslave oneself... while calling
it "liberation."

Well, you haven't even asked yourself those questions,
(you have been very not-'mindful' - indeed)

mindlessly, you have ACCEPTED all those FALSE ideas
from Hinduism or Buddhism, [IPEHAB],[PEHAB]

AND YOU PASS THEM ON "to show off your spiritual
knowledge" and "in order to be part of the spiritual
'in-crowd' (to show the 'New Age' people, how
"spiritually-educated" you are)."

The answer about why they pass on all those false ideas,
is simple, however - if you know it:

Their FALSE assertion of ideas

"about Life," and "about the past," and "about the

future," and "about cycles of life and death" -
their very FALSE ideas and assumptions about it,
[IPEHAB]

ALL ARE DESIGNED to HIDE Sociopaths,

and to PREVENT you from detecting these individuals (the
Criminal Minds, or, meaning the same, the Sociopaths):

The Sociopaths want, that you DO NOT understand
Life as it is, and

these want you WRONGLY to "understand Life."
[IPEHAB] [YEI]

(6) **It is only the Sociopaths, who are atrociously lying about death and rebirth**

There is nothing esoteric or mystical about death, and then about birth again after death:

You do it all the time - anyone does it all the time. And the data about it, IS ALSO available - in great abundance - to be studied, examined and tested.

Indeed the matter is as simple, as can be.

BUT the Sociopaths do exactly HATE THAT:

that all the relevant data IS available and CAN very simply be examined, and tested.

The ugly Sociopaths, like James Randi, and the "beautiful" Sociopaths, like Bill Nye and Carl Sagan, and Sociopaths all the way down in history to Roman times and beyond,

these individuals HATE those data to be available.

They - being Sociopaths - shamelessly claim, that "there is no conclusive evidence." And they DENY the data even to exist. Nevertheless:

The data has always been available - and widely since the printing press was invented and used several centuries ago.

The Sociopaths however, continue callously, atrociously and maliciously to shout:

"THERE IS NO DATA," or "IT IS NOT EVIDENCE," etc., etc..

However, the matter is as simple as can be.

Suppose for a moment, that you worked to build the Eiffel tower in a previous life time of yours. Then it - the Eiffel Tower - is still standing there now, isn't it:

It did not disappear, when your body died, right? You did something in your past, and the effect of it is still quite visible now, and experienced now by many people, including by yourself.

Another example:

If you wrote a book in your past life, with "a glowing account of support" for (the soul and the work of) the individual who is the object of this Human Rights Order, about l. ron hubbard (Satan),

then your book (and possibly its influence) may of course continue to exist ALSO IN YOUR PRESENT LIFE TIME

- you might be willing to admit -

as your creation of possible support for the individual, in this case for the soul last known as l. ron hubbard.

The book you wrote, does not "automatically erase, at the moment of your death."

What you did in your past lives, DOES LIVE ON.

Also, the MEMORY of what happened in the past (see Definition of Truth, above) CAN NOT BE ERASED, ever:

Whatever happened, is now part of The Creation, and remains so forever, and can thus be viewed by anyone who comes across that data, or searches for it. It can not be erased.

Not surprising it is then, that the Sociopaths
DO DENY the very existence of The Creation
itself,

and they replace it - Satanically so - with:

"It is whatever is in your Mind" and "It is,
what is agreed upon with others to exist also
in their Mind"

- and that is indeed, how l. ron hubbard
(Satan himself) wants to "define"
The Creation.

The Sociopaths want to 'DISMANTLE' Life

- at least to dismantle people's
Perception of Life, of others and of
themselves,

and thereby to influence the things
that people feel and do -

to 'REPLACE' Life as it actually is, with
'whatever it pleases the Sociopaths to
project, that "Life is",' and like the
mentioned TV personalities, to "educate"
others, "what Life is," according to the
prevailing Sociopaths.

The Sociopaths (surprise, surprise) - VIOLATE the
'Definition of Truth:'

They DENY - often very intelligently, always
with intent to confuse - they deny the simple
truth of things in life and about people,

things that you- correctly - define as being
The Truth:

What DID happen and who DID really bring it about, and out of what intention it was done.

{definition}

To connect to, whatever happened - and thus to feel and know and see and examine it again - does define 'using your memory,'

and when you sufficiently control enough of your Perception-connection type Life Energy, then you can remember anything again, that you wish to remember.

{definition}

Using the Definition of Truth - as it is embedded in your soul and in anyone's soul - and as I did grasp and use it,

you can find out what happened in the past, (also in the distant past).

Examining that, you will find as follows, as I did too:

(7) About Satan as an individual, the beginning

Satan is not merely 'a concept of Evil,' or 'an Evil Energy,' but Satan is an actual individual, a soul, named 'The Dark Soul' because he has decided at some time,

out of motives commonly underlying basic, self-generated sociopathy, (with motives)

such as Envy and Hate

- Envy and then Hating others for THEM having tremendous abilities and for THEM being capable of experiencing extraordinary Joy from living Life -

and then to make a decision to destroy FOR OTHERS, 'what he himself can't have and can't enjoy experiencing,'

just like any ordinary bully does too,

and calling that - destroying others' Joy of Life - and his experience of stopping people from enjoying their Life - calling THAT

his "BEING 'GREATER' THAN OTHERS"

...BY DESTROYING people's JOY of Life and subduing their tremendous abilities

- destroying that in whatever "clever," deceitful or else in forceful ways -

where 'Life is a game of overwhelming others,'

(that is how this individual, l. ron hubbard, does actually expresses in writing his viewpoint on Life, in his 'Scientology game,' with his "Axioms about Life" - by which "good and evil, beauty and ugliness, DO NOT EXIST, other than as however he pleases to consider, it is")

to be actively Insane and Destructive of Life.

With a decision originating (made by him) much, much longer ago,
than some Earth myths claim,

 this individual soul - who then of course became known as
 'Satan' or 'Darkening Soul' - decided

to "seek his joy in destroying The Creation,"

and "wanting to be 'senior to The Creation' (or 'senior to God,'
if you like)," "senior to it" BY DESTROYING IT,

 AND he was not leaving it at that, but - can you imagine -
he set out and organized, to DESTROY (the ABILITY of others to
create and enjoy Life, in)

as many souls as he could capture by whatever means,

 as he did to people in their distant spiritual past, which
 is likely also your distant spiritual past.

He himself, the soul you called Satan, now l. ron hubbard,
in his latest life's work, in 'Scientology'

 he now is not entirely hiding it, (but he declares
 it to be "confidential data" and he even registered
 it as "a Scientology Trade Secret"), that is,

 he does not hide, THAT a malicious intention "to
 destroy Life" had indeed come to life in an
 individual in some distant past;

 and he does not hide, THAT intense havoc has been
 inflicted on a vast amount of people by an individual
 at that time.

(Again: Truth, defined as 'that what happened,'
is available for viewing, for all time to come,
to anyone, as it has become part of
The Creation.)

But l. ron hubbard (Satan) claims, in all the secrecy
he can muster, "to reveal the secret of the universe,
that he alone could discover without dying from looking
at it." And he then claims,

THAT 'a malicious intention "to destroy very many
souls," had originated in and was executed by an
individual some 74 million years ago,'

which "happens to coincide" with the time HE made
that decision and executed it, in order

"to be above The Creation or above God, by being
against it, BY destroying it,"

to destroy people's ability to enjoy Life and
instead, to make his victims enjoy going AGAINST
Life, to be Evil. [ODE]

(That decision he DOES hide - but it is,
from all his Scientology writings and
"Axioms about Life," anyway quite obvious).

In his highly secret writings in Scientology about
it, which "if revealed, would make a person die,"
and thus must be kept secret at all cost (a typical
Science Fiction story plot)

which nowadays however is very far from secret, and
can be found all over the Internet. In his story

he himself now is placing the start of it at some
74 million years ago (his attempt at destruction of
The Creation, "his destruction of God").

To "destroy God" - to bring about that effect in many people - he actually did find out and devised ways and means to do so,

by inflicting EXTREME anguish and vicious, Life Energetic damage onto the soul of captured people, he used ways and means of

BLOCKING OFF people's soul-CONNECTION to the Source of the Life Energy of The Creation (which may correctly be named 'God'). [GNEH]

The illusion of "Destroying God," may be produced by Blocking someone's Life Energy (feeling-)connection to the Source Energy of The Creation, to God.

It is the most horrible crime that can be committed on anyone. But what else do you expect of Satan...

{definition}

And he does indeed place the start of his destruction in that time period.

He intended to divulge at least the time-frame with some accuracy,

BECAUSE it shows up strongly ANYWAY, when one does look at that distant past,

especially when one looks with a Perception Aide [IPA]

even with the crude and severely limiting device called the 'E-Meter,'

the invention and its therapy that was stolen by l. ron hubbard from Volney Mathison, and is

used in Scientology therapy, for instance to locate and zoom into memory connections.

A Perception Aide: [IPA]

The Life Energy Particle flows in and around the body, change constantly. These may show very strong, sudden and rapid FLUCTUATIONS

in particular upon contacting the Energies of very significant memories, or when finding very strong, connecting Life Energy bundles to or from other individuals.

These strong fluctuations of Life Energy, directly bring about corresponding fluctuations in the simple electrical resistance of the body WHERE THESE Life Energy Particle CONCENTRATE in certain spots of the body, such as the hand palm.

A Life Energy Fluctuation meter (a LEF-meter, see [IPA], etc.) measures those corresponding electrical fluctuations,

which show up when you connect with your thoughts to your own - or to someone else's - also distant past. (Your thoughts ARE Life Energy Particles.)

{definition}

And because the mentioned time period is likely to show up EVEN on the crude and severely limiting E-meter used in Scientology by the followers of l. ron hubbard,

he does indeed place the beginning, the start of the soul-destruction (that he HIMSELF created and

inflicted and then spread to billions of people):

"Something very, very bad happened to you and to others,
about 74 million years ago," [GNEH]

"BUT SOMEONE ELSE did it."

And to hide further, that it is himself who did it, he spins a tale - like any other criminal does too - very deliberately to mislead followers and anyone else who would encounter those memories.

He is 'handling' the obvious threat of exposure of his identity as Satan and of his distant past acts against Mankind.

After he has completely taken control of their thoughts about him, by making them 'Clear,' [RDSC] he does tell his followers "to look" at it 'but only under his very strict control and secrecy:'

"They should examine a distant time period of great spiritual damage to them and Mankind," but

ONLY at THE STORY, that he has spun about it, "with volcanoes and hydrogen bombs," "used as tools to damage and compress souls into 'clusters' of souls"

- all of it serving TO MISLEAD AND HIDE how souls can be ACTUALLY damaged, and WERE actually damaged by him and by his crew of Sociopaths.

Not surprisingly, his followers, while severely misdirected and confused as instructed, and under total control by him (looking for "volcanoes, hydrogen bombs and clusters of compressed souls"),

they are strictly controlled and forbidden to compare notes with each other, let alone to divulge anything at all to anyone, also privately.

He even used the legal system of our civilization - whenever our civilization can be used to protect and hide his Evil:

The SECRECY of his tale and his "instructions for looking at it,"

was formalized by registering these as 'Trade Secrets.'

Nowadays these are found all over the Internet, and confirmed as genuine.

In fact - by the Scientology Copyright owners prosecuting opponents who published these 'Trade Secrets' - the law courts had to verify, that these were indeed

the actual, real Scientology writings by l. ron hubbard himself,

by a criminal (l. ron hubbard or Satan) in desperate fear of being found out, and believing to have provided the methods of successfully hiding himself "eternally" - hiding at least from his, so thoroughly hypnotized followers.

He invites his 'Clear' (highly hypnotized) [RDSC] followers, to "look at it"

- which is in fact a 'preemptive (preventive) strike' against his followers, it is his attack on them,

to knock out any attempt at CORRECT recall (correct memory) of what DID happen, of WHO caused the devastation and with what INTENTION -

he invites his followers (when these have arrived to do his Scientology hypnotic Upper Level of 'O.T. III'), with extreme control by him (by his organization)

to "look at" an upheaval very distant in time, 74 million years ago, while he has ALREADY knocked out their sense of time, places and actions, by means of his entirely false doctrines and lectures and books with "Whole Track" (distant past) "data"

- and you might remember in passing, that the most famous and most intelligent Sociopath on Earth, Albert Einstein, has already wiped out all POSSIBILITY of correct memory, by declaring time to be "relative,"

in order that people can not remember the time when his, Einstein's Sociopathy began.

l. ron hubbard forces, with his organization, TOTAL SECRECY (very strictly enforced secrecy) on his followers when these "look" at that time period. They are allowed "to look,"

ONLY after they have been prepared (very thoroughly hypnotized with many Scientology therapy courses "completed" and "verified" beforehand)

so that they REALLY, NEVER-EVER, NOT IN THE SLIGHTEST WAY, will get even an INKLING of suspecting him, of suspecting l. ron hubbard, as the actual perpetrator, as Satan.

"The greatest friend of Mankind," "their true spiritual shepherd" explains to them, that

"they will likely die a horrible death"

"UNLESS thoroughly prepared by his Scientology therapy, training and guidance" for looking at that distant time.

In his criminally false narrative about that distant time, he depicts himself, l. ron hubbard, as being "the only hero in the whole history of the Universe, who could look at that time, and did look at that time, WITHOUT dying from looking at it" - "but he almost broke his spine, by looking."
[Ron's Journal '67 - 'The Wall of Fire']

All those elaborate lies are created by the perpetrator, l. ron hubbard, the pathological liar, better to hide himself, and with more conviction to blame "someone else," with lies about himself, like:

"Look, I am the ONLY ONE capable of finding this out,

"and it was ME who did find out, that something atrocious did happen to all of us, 74 million years ago."

"So now YOU must believe, that I DID NOT DO IT,"

and "now you must also believe, that events at that time, DID happen AS I SAY these did happen."

He so heavily drugged himself, "to remember the past better," that he could not even spin a vaguely coherent story about it,

so much was he focused on "displaying himself as the biggest hero of all of Mankind in all of the history of the whole of the Universe,"

which - making himself thought of as THE hero of the Universe and Mankind - was his real and main concern. [ibidem]

But the more atrocious his lies were, the more eagerly his followers - well hypnotized into not even WANTING to sense the truth - (they) gobbled it up (swallowed it).

They paid LARGE sums of money to him,
in order to be allowed by him, to get
Scientology access to his "secret story"

and to then further ruin themselves
spiritually by doing the Scientology
"therapy," to place him - Satan, of all
people - on the throne as "the hero of
the Universe."

Some followers inadvertently did however
address, with the very crude 'Scientology'
E-meter to steer their Perception, run into
some actual places and times of Harm inflicted
upon their soul, ANYWAY.

DESPITE Satan l. ron hubbard's entirely
false and also really idiotic tales which
he intended to 'throw them off the scent.'

a few people NEVERTHELESS did contact SOME
Harmful Energies connected to that distant
past.

After all, they had spent much time and
money and were very DETERMINED to
improve themselves, no matter what, and

out of sheer determination and will to
improve as much as they could, even in
those very averse circumstances, and
with very false instructions,

THEY TRIED TO LOOK and DID "LOOK AT"
(they sensed) SOMETHING,

WITHOUT allowing themselves however
- thoroughly hypnotized as they are -
to see any details,

never of course even considering
the actual perpetrators (l. ron
hubbard and his crew of Sociopaths)

in the EXTREMELY toxic, strictly
controlled environment of 'Scientology'

- which after all, IS Satan's current
life work, to exalt himself and be
admired and followed and freely
vampirism on his followers' Life
Energy

and also now using THAT Life Energy
to inflict his malice (intensely
Harmful Life Energy) onto anyone.
(see The Dead Files, to get an idea
of what he inflicts now)

(8) About Satan as an individual, forcing his nature onto others

In fact, the start of his own Evil decision, and his acts
TO DESTROY as much of Life anywhere, as he could, [GNEH]

and to make the destruction of Life, as permanent
and as irreversible,

and to make Life as atrocious, and as ugly,
and as unaware,

as he could manage to make it,

and forcibly to imbue and 'IMPLANT' in the soul of as many
people, as he could get a hold of and capture, to IMPLANT
into their soul,

the "JOY" of destroying Life and The Creation,

also to make people forever UNAWARE of what happened
to them and others, and more critically important,
forever to prevent AWARENESS of WHO did what with
what intention to them and others:

to make people UNAWARE of what he started

about 74 million years ago. [GNEH]

Since that distant decision, he endeavored to use his
intelligence in a Rage with all his Violence and Hate

(and those whose soul he had already managed to fully
mutilate - so that these had become what we call
Sociopaths - his now enthusiastic servants aided him)

to mutilate the soul of as many people as he managed to capture,
to destroy their Beauty and Love,

and to Implant in their soul, that "THEY ARE HATED BY GOD," thus disconnecting them from (the Source Life Energy of) The Creation.
*(e) [NDG]

The Creation's Source Energy or 'God', which anyone is naturally part of, and should be connected to, to function well and enjoy Life [NDG]

- but exactly that is, what he DISCONNECTED
in people -

their CONNECTION to vast Love, to vast Beauty, and to unfettered Truth.

{definition}

Those captive, with their soul so "treated," became, and are forever remaining, what you now call Sociopaths or Criminal Minds:

those WHO ENJOY TO BE EVIL, to inflict Evil, and to take away the Life Energy of others. [ODE]

(9) About Satan and his Sociopaths, inflicting on us their JOY of being Evil

The so mutilated souls ENJOY to be Evil, and it unfortunately makes no difference, in their malicious emanations (of Harmful Energy), whether they are alive (are living), or deceased souls:

(whether they are born, currently in a body, incarnate - or not: like being dead, being deceased souls, being currently not born, not incarnate now)

they ANYWAY are projecting their Harmful Energy or Evil, and

IT MAKES NO DIFFERENCE to their JOY OF BEING EVIL, nor in their exertion of that "JOY" (in fact, when they are deceased - like l. ron hubbard or Satan, now is - they are then much less restrained by social and physical barriers):

They create and inflict their Harmful Life Energy PARTICLES ANYWAY

(to inflict horrible feelings, panic attacks, ugly thoughts, unawareness, accidents, pains, unbearable itching, sneezing, belly aches, etc., etc.)

onto you and others, or at and into your body.

And into other people's body too, of course. And regardless of the victim's age, you might be willing to consider: Also on children or babies of any age. Did you ever see a baby crying "without any reason for it"?). [DPFI]

But the Sociopaths and their adherents, will teach you - and some are teaching you "rationally," and "scientifically" -

that "it is something entirely different" than what it is:

that what you feel, or what your body feels
"...is something entirely different," than
what it simply is: Harmful Life Energy
inflicted by someone.

Their "rational science" helps the Sociopaths
to make you into (medical) drug addicts, or
otherwise to ruin your life, or that of your
friends or family.

They have made you, and keep you ...very Insane and
very suffering,

where 'Insane' is DEFINED in the natural way,
as:

'(You) assigning the wrong cause to some
condition (of yours or of others).' [DOI]

{definition}

(10) Irreparable nature of Satan (l. ron hubbard)

Due to the proven nature of the soul last called l. ron hubbard, being persistent since the very distant past and up to the very present

- he is more widely known (though in quite confused ways) as the soul called Satan, or Shaitan or 'The Dark Soul,'

named for his ability and practice of producing and inflicting Darkening (Black) Life Energy Particles

{definition}

the Darkening type of Harmful Life Energy that inflicts Unawareness (Blackness Particles, spiritual Darkness), that blocks Perception and Connection to something or to everything.

{definition}

And due indeed to his being unresponsive to any therapy or remedy at all,

this particular Human Rights Order CAN NOT BE REVOKED:

TRUTH BEING ABSOLUTE AND AVAILABLE FOR VIEWING FOR ALL TIME TO COME, to anyone. (see Definition of Truth, above)

(11) What Satan (l. ron hubbard) did in the past

Accounts of what happened, have been made available by me to you and have been made understandable enough to you, by me,

accounts starting from the very beginning, [GNEH]

which is when this individual decided to create his own condition of 'the Joy of being Evil'

- unheard of, and at that time unimaginable, for anyone even to consider, let alone

to DESIRE and then to also PRACTICE a 'Joy of being Evil' to others - [ODE]

and that not only for himself but - "in order to go against and destroy The Creation" -

to inflict and horribly to IMPLANT the same condition, of 'the Joy of being Evil to others,'

(I reported to you, accounts of that, with [GNEH] and many surrounding publications - about his Implanting Evil permanently)

INTO THE SOUL of as many people as he could capture and mutilate the soul of.

'To be Evil' has no limit

(there IS NO bottom, no 'red line' at which he, or any Sociopath, would stop being Evil - for instance by stopping torturing you or others)

and so he and his aids have inflicted his soul-mutilations ALSO on the most vulnerable, on unborn babies, on a large scale, to "create"

spiritual followers and fighters to attack normal people.

And you know, that many Sociopaths (such as those pleasing Darwin etc.) do claim, that "souls do not exist:"

Mutilated as the Sociopaths have these souls, many Sociopaths now claim, that "souls do not exist"

"so these can also not have been mutilated by them, you see...."

The SOCIOPATHS and their adherents, call that "rational" - well, from their viewpoint, it certainly seems "rational," to DENY their crimes,

perpetrated as recently as in ancient-Egypt:

soul-Implanting by Satan and his priests who were inflicting "eternal death" etc., (as I reported to you earlier and quite extensively)

they turned people (you and me) into unknowing, eternal spiritual slaves to the Sociopaths,

turned spiritually into their unknowing slaves, with gruesome irreversibility,

supplying them, the Sociopaths, with your Life Energy - as if we are their batteries.

That goes hand in glove with the Sociopaths' and Satan's (l. ron hubbard's) current activity of robbing people of essential Life Energies,

extracting, smashing away from you, such ESSENTIAL Soul Energies as your native Beauty and your JOY-of-Life Energy. *(b)
[ODE]

(12) Satan mutilating the soul of others, into also becoming possessed by his 'JOY' of being Evil to others and Life

We are talking about Satan's most gruesome, widely enforced and copied acts of 'Enjoying to be Evil to others,' and 'to block, to mutilate or to uglify the Life of others,'

as Satan, the soul of the deceased l. ron hubbard, does act out his Evil JOY ALSO now, without ever stopping to INFLICT his Harmful Energy (reported to you frequently, and in detail).

It is most simply described, as 'his irreversible contempt for Life and for people' (which you know to be the case in ANY Sociopath).

"Solving problems" for people in such a way, as to HIDE his Joy of Being Evil to people.

Inventing and justifying the infliction of atrocities, with "Life is just a game,"

"Solving over-population" by mass extermination of people - in fact, to obtain the Life Energy of those exterminated,

for his own use and for his "crew" of Sociopaths:

The "Joy" of mass extermination of Life

- as we have seen it, on a very much smaller scale, repeated here during the last World War, by such as Heinrich Himmler,

who happens to be spiritually
a very close companion of Satan,
of l. ron hubbard. [SHFHA]

The 'unimaginable' becomes understandable, when you
recognize it as described earlier:

The fundamental is his Hate of The Creation,

which then culminated

in his destroying whole, populated planets,
blowing these up (as the Asteroid Belt was
too once a planet),

or destroying the atmosphere of a planet, as
it was done to our planet Mars,

for the only "reason," that the population is (was)
alive AND is (was) very beautiful AND very happy.

THAT being the only thing, that he has ever wanted to do, and
ever will want to do;

now he concocted Scientology to make people not never
even SUSPECT his actual intentions (the individual, Satan,
l. ron hubbard's) intentions to dominate and rule all minds

once AGAIN to overwhelm and dominate all people
that he can get a hold of;

AND not himself responding to any approach or therapy whatsoever,
since ever and now,

thus - explained in simplest of words and facts -

this particular Human Rights Order CAN NOT BE REVOKED.

Wholly his opposite,

and arguably the most Loving and most Beautiful, and
most Intelligent and Truthful spirit
on Earth and well beyond,

I do remain yours faithfully etc. etc. etc.,

Koos Nolst Trenite 'Cause Trinity'
human rights philosopher and poet

'Solomon's wisdom was greater
than the wisdom of
all the men of the East,
and greater
than all the wisdom of Egypt.'

Textnotes:

- (a) The Sociopaths have developed a whole 'sub-culture' based on that DENIAL of the nature of LIFE AND PEOPLE - they claim a "non-existence" of, what after all, IS Life itself and what DOES make all its activities:

Life Energy.

The "rational" Sociopaths are strongly denying Life. They compulsively (neurotically driven, they) try to REPLACE your feelings and your thoughts and your perception, with photons and with neuron molecules.

Their books and articles intending to harm your life, with what in fact is 'anti-science,' does fill a large University library.

Their effort, the work and money they commandeer (demand) from the society, is astronomical. And they are proud of it.

They DENY the nature of your own body, consisting as it does, of Life Energy structures that intend to control and usually succeed in controlling, the molecules in your body.

{definition}

The Sociopaths created an 'anti-culture' of DENYING 'ALL THAT IS' - all that exists ANYWAY, regardless of their denial, and that so vitally exists -

they DENY, with books telling you, and "proving" to you and to anyone willing to absorb it, that "Life consists of molecules" (as REPLACEMENT of Life Energy).

They have their own "sciences" - "medicine," "neurology," "neurobiology," etc. - with their own Associations and lobbying

Institutes, with their own "journals" and (equally Sociopathic)
"science journalists:"

An 'anti-culture' of Sociopaths and their admirers, who
VERY ACTIVELY DESTROY knowledge of Life,

and who thus destroy your Life, and anyone's Life.

Well, what else would you expect of Sociopaths and from their
avid supporters...

- (b) In this light, you might start to view some ugly people as
in actuality being victims of such horrible 'soul-theft.'

On the other hand, you might come to view as perpetrators,
some "beautiful" people who took Beauty Life Energy from
others and work with it, presenting it as "their own
Beauty."

However, observing your veneration for the very Ugly
Sociopath Stephen Hawking (who is called a "physicist"
by those who obviously hate actual physics most),

and on the same side, your equally undying adulation for
the "Beautiful" Life Energy Vampires Beyoncé or Michael
Jackson,

allows the unpleasant conclusion, that your Awareness is
hardly up to telling THE DIFFERENCE

between intentional Ugliness with ugly lies, from Stephen
Hawking - as an ugly Sociopath intentionally being ugly
and lying only,

and on the same side, the stolen "Beauty" and "talent"
that is shown off by 'Sacha Fierce' Beyoncé, and by
'Jesus Juice' and 'Love you More' Michael Jackson

- or by the painter Van Gogh, for that matter -

PRETENDING it to be "their 'OWN, self-created' beauty and talent Energy," as it is shown off to you, by on-the-surface-"beautiful" Sociopaths.

- (c) Like: He orders and buys a Requiem from Mozart, and then, by projecting vast amounts of Hate Energy into Mozart's body, he manages to kill off Mozart.

This greatly satisfies his Hate.

And it also satisfies his Envy, because he then organizes a concert in which he presents that composition (the Requiem by Mozart), as "being his own brilliant work of musical composition."

(Of his Evil plan, the last part failed, though - as you know.)

- (d) And 'Faith Healing' or 'Miracles' are as "miraculous" as thunder and lightning, and need as much faith, as predicting the tide of the sea coming to shore:

Both 'Faith Healing' and 'Miracles' are simply the handling of Life Energy PARTICLES that, after all, make up all of Life AND matter too. {Fine Particle Physics}

It has nothing at all to do with faith, but the Sociopaths DENY it, by calling it "faith."

And if you don't want to know how it works, then even a flashlight might be called a "miracle."

- (e) With this knowledge, the Dutch phrase "Van God Los" - 'Disconnected From God' - and the corresponding title of the movie and TV-series, can actually be taken quite literally.

Appendix A:

Sara Northrup's testimony (in Bent Corydon's book) about her living with l. ron hubbard, as her husband abusing and dominating her love.

Her descriptions classify l. ron hubbard as an EXTREME Sociopath,

and I would venture to say, that he is on a level with more widely known EXTREME, charismatic-type Sociopaths such as Iraq's Saddam Hussein, Russia's Stalin, Yuri Andropov and Lenin, and Romania's Ceausescu, Palestine's Arafat, Libya's Qaddafi, China's Mao, and the like.

'
Sara Northrup:

' "Ron couldn't handle stress. He'd go insane under stress. He had an extremely violent temper.

"But he was also capable of being extremely charming.

"HE WOULD TURN ON THE CHARM IN FRONT OF SOMEONE, AND WHEN HE OR SHE LEFT, HE'D GO INTO A VITRIOLIC TIRADE ABOUT THE PERSON HE HAD JUST BEEN CHARMING TO DEATH.

"When lecturing, he was always his charming self....You'd never know he had any problems at all, when he was on stage....

"He stood up on stage in Los Angeles, and announced, that "I was the first 'Clear'." I was so embarrassed....

"Ron used a lot of medical drugs, and vitamins, and very large doses of testosterone (male hormone)."

'
"The fact is, he was [incurable,] a 'basket case' physically. He was [manifesting illnesses stemming only from his mind] a 'psychosomatic case.' He would go blind at any moment of the day.

"He had terrible fits of temper and [as a result] his [physical body] system was totally out of order.

"Sometimes he'd walk using a cane. It was all psychosomatic. There was nothing actually wrong with him [physically]."

"Ron was fascinated with the magick.... [with the manipulation of Life Energy].

"Jack [Parsons] was a marvelously brilliant, genuine guy. The house [of Jack] in Pasadena was a lovely place: Scientists, physicists, and engineers would come and stay and talk....

"A lot of the scientific language Ron used in Dianetics and in Scientology, probably came from the courses in engineering he took in Washington in his brief college days. He flunked pretty badly in those courses. He was too erratic. He was too neurotic to sit down and study. He never went into anything in any depth.

"He would just pick up the jargon [the special words of a science].
"He was a dilettante.

"Yet in some respects he was an extremely capable man. But he was deeply disturbed emotionally. Success put stress on him.

"I FELT I HAD TO STAY WITH HIM DESPITE THE INSANITY. I HAD SOME IDEA THAT I WAS RESPONSIBLE FOR HIM. [a standard idea projected by Sociopaths, to trap people into caring and loving them]

"I should have left much earlier. I can't believe I stayed with him for five years!...

"Shortly after we first met, he told me, that IF I DIDN'T MARRY HIM, HE'D KILL HIMSELF...." [once again, a standard action by a Sociopath, to exert control over responsible people]

Sara Northrup regarding the 'Church' of Scientology:

"People don't want to think. They want to hand over their lives, for people to make decisions FOR them."

About Ron [L. Ron Hubbard] the writer:

"Ron was happy when he was writing, and fun to be with. But at times he had writer's block and could become quite distressed about it.

"I WOULD OFTEN ENTERTAIN HIM WITH PLOTS SO HE COULD WRITE. I loved to make plots. The 'Old Doc Methuselah' series was done that way."

Appendix B

(ibidem)

An old-time friend of Sara Northrup, John Sanborne, commented:

'Earlier on (before their divorce) he [l. ron hubbard] made this stupid attempt to get Sara brainwashed [like a dog] SO SHE WOULD DO WHAT HE SAID:

'He kept her sitting up in a chair, denying her sleep, and tried to use 'Black Dianetics'-principles, on her, (*)

'repeating over and over again, whatever he wanted her to do.

'Things like, "Be his wife, have a family that looks good, not have a divorce." Or whatever. (*)

'He had [his assistant] Dick De Mille reciting this sort of thing to her, day and night.'

(*) 'Around this same time (!) Hubbard was lecturing and writing on the evils of "Pain-Drug-Hypnosis," and was warning about "Black Dianetics" - i.e. reverse Dianetics, used [NOT to locate and erase, but] to IMPLANT hypnotic suggestions, rather than to [remove them, to] run them out.' (ibidem)

Regarding this, Sara Northrup commented:

(ibidem)

"Dave Williams was also working on me: They always talk about Dick De Mille - they never talk about Dave Williams.

"He [Hubbard] was in Cuba for two months, and [then] - the last time I saw him - he was in Kansas at the divorce hearings. When the divorce was over, I felt like I had been freed from prison!

"The last year with him, was particularly terrible....

"I'm not a pathetic person 'who has suffered through the years because of my time with Ron:' I can't waste my time dwelling on it...."

Sara Northrup, referring to those last years with Hubbard:

(ibidem)

"It is too disgusting. I have done well keeping away from discussing it for 35 years, and I don't want to talk about it now."

"No, I'm sorry, Bent, I would prefer not to continue [the interview]...."

Appendix C

From Sara Northrup's divorce proceedings against L. Ron Hubbard
(ibidem)

' That said separation took place, by reason of extreme cruelty practiced upon the plaintiff by the said Hubbard....

(a) That during the marriage up until the month of October, 1950, said Hubbard, [being] an "older man,"

completely dominated the youthful plaintiff, both physically, mentally and emotionally, and

TAKING ADVANTAGE OF HER TRUSTING LOVE AND DESIRE FOR A SUCCESSFUL MARRIAGE, repeatedly subjected plaintiff to systematic torture, including loss of sleep, BEATINGS, AND STRANGULATIONS and scientific torture experiments, including the following:

(b) That in the latter part of September, 1950, said Hubbard told plaintiff at the Chateau Marmont Apartments in Hollywood, that

"I do not want to be an American husband, for I can buy my friends whenever I want them," and he further said that he, Hubbard, did not want to be married, yet divorce was impossible, for

a divorce would hurt his reputation, and that she, plaintiff, SHOULD KILL HERSELF IF SHE REALLY LOVES HIM.

(c) That at said time and place, said Hubbard systematically prevented plaintiff from sleeping - continuously for a period of over four days - and then in [exploiting] her agony, furnished her with [he gave her] a supply of sleeping pills [attempting violently, to drug-hypnotize her], all resulting to the nearness to the shadow of death.

That the foregoing was a frequent occurrence, during the married life of the parties.

(d) That at said time and place, plaintiff became numb and lost consciousness, and was thereafter taken by said Hubbard to the

Hollywood Leland Hospital, where she was kept under a vigilant guard [in order to prevent rescue by contact] from friends and family, [and, to hide her from her family and friends, she was registered in hospital] under an assumed name, [where she had to stay] for five days.

(e) That, shortly following Christmas 1950, said Hubbard violently STRANGLED plaintiff and sadistically ruptured the eustachian tube of her left ear, resulting in the impairment of her hearing.

That such STRANGULATION of plaintiff was a FREQUENT PRACTICE on the part of said Hubbard [in order to subdue her and get her so to give up her Life Energy to benefit him - his "definition" of a wife].

(f) That in January, 1951, at Palm Springs, while plaintiff was getting out of an automobile, operated [driven] by said Hubbard, he intentionally started the said car in [reverse] gear, thus PROPELLING PLAINTIFF TO THE PAVEMENT, RESULTING IN SERIOUS PERSONAL INJURY.'

This is 'learnware' - it may not be altered, and it is free for
anyone who learns from it and (even if he can not learn from it)
who passes it on unaltered, and with this message included,

Sociopaths, because these vehemently oppose any true knowledge
of life and about themselves).

None of my writings may be used, ever, to support any political
