### Basic Rules – MLB Survivor Pool:

Pool starts 03/01/2015.

All entry fees must be paid by 04/02/2015

Each member picks a different pro team for the week (**a pro team can only be picked once per season**)

If the team they pick wins at least 50% of their games that week, they survive and advance.

You will be allowed 3 'strikes' (incorrect picks) before members are eliminated.

The goal is to be the last member standing at the end of the season.

Final survivor takes all of the winner's pot, unless multiple survivors left after the end of the regular MLB season. If multiple survivors, pot will be split evenly amongst remaining survivors.

This is a fundraiser. Split is 50% of all money collected goes to South St. Louis Corkball League and 50% to winner's pot.

Deadlines for entry each week – (enter day/time of week)

If pick not turned in before weekly deadline, you will be given a 'strike' for that week.

GOOD LUCK & THANK YOU FOR YOUR DONATION!!!!
