A 501c3 Organization  
Tax ID #62-1836008

### Upcoming Events

#### *Pet Photos with Santa:*

- Nov 7 ~ Home for the Holidays
- Dec 5 ~ Petsmart Wolfchase
- Dec 12 ~ Petsmart Winchester

#### *Angel Trees*

- Dec 1 - 31<sup>st</sup> ~ Check our website  
for participating businesses

#### *Adoption Events:*

- Nov 7 ~ 5<sup>th</sup> Annual Home for  
the Holidays, Oakland
- Nov 14 ~ Petsmart Winchester
- Nov 21 ~ Petco Cordova
- Dec 5 ~ Petsmart Wolfchase
- Dec 12 ~ Petsmart Winchester
- Jan 2 ~ Petsmart Wolfchase
- Jan 9 ~ Petsmart Winchester
- Jan 16 ~ Petco Cordova

For event hours and directions,  
please visit our website at:  
<http://fayettefcar.com>

#### **Ryker & Arnie**

Ryker was found abandoned at 6 weeks old with a broken leg and a severe case of mange. He was also extremely unsocialized and spent the first two weeks with his face buried in the corner. With lots of love from his foster family, especially FCAR adopted rescue Arnie, Ryker is now happy and well on his way to recovery. He also has developed a huge love for cookies!

### *Letter from the President*

I cannot believe the year is almost over, what a whirlwind! Like most non profits, it has been a difficult struggle to balance the needs of our community with a significant drop in donations due to economic conditions. As I mentioned in our last newsletter, requests for assistance continue to be at an all time high and we face a daily struggle juggling all of the requests with our limited resources. But we are a strong organization that has been through a lot together and we will continue to fight for all of the animals of Fayette County!

We have really worked this year on getting creative in finding additional ways to raise money for the animals. This year was our first annual Mega Motor Festival in Oakland which was a Huge success and we have established some wonderful partnerships with local businesses. In this newsletter we are also introducing a new fundraising program for the holidays where you can make a donation to FCAR and a customized holiday card will be sent to those that you specify with your personal message. This new program was suggested by one of our wonderful supporters last year and we thought it was such a great idea that we are offering it to everyone this year.

Another program that I would like to personally encourage you to consider is our monthly giving program. You can go online to our website at <http://fayettefcar.com> and make a recurring monthly donation that automatically bills your credit card. If everyone that receives this newsletter donated just \$10 a month we would be able to support a significantly higher number of abused and neglected animals in our community. The form takes only a minute to fill out, you will receive a letter for your tax deductible contribution at the end of the year, and the difference you can make with a small recurring donation is significant. Every dollar makes a difference in the lives of our rescues and I can personally assure you that we are very diligent and passionate that every penny we spend gets the most value for the animals.

This year has had its ups and downs but we have accomplished so much for the animals that it is difficult to be anything but optimistic looking forward. We have a large group of dedicated volunteers and supporters, a beautiful facility and a mission that we are all passionate about; there is nothing that we cannot do together. Thank you all, so very much, for all of your support over the past year. May the holiday season bring you and your loved ones (especially your furry ones) happiness and joy!

~Yvette Gilbert, President

## 5<sup>th</sup> Annual Home for the Holidays Event

November 7<sup>th</sup> will be our 5<sup>th</sup> Annual "Home for the Holidays" event.

Located at First Citizens Bank in Oakland, TN, this will be a perfect time to get a start on your holiday shopping. We will have vendors, crafts, food, music, baked goods, pets for adoption and lots of fun!

Do you think your pet is the cutest? Then enter them in our Holiday Pet Pageant. We will have prizes and awards for multiple categories. Come check out all the cuties and cheer on your favorites!

We will also be offering Photos with Santa Claus so be sure to bring out your pet and get your annual picture made.

The fun starts at 9am so come join us for a wonderful time.

**All proceeds benefit Fayette County Animal Rescue!**

We are also looking for more vendors, so if you have a business that would benefit from setting up a booth please call.

If you have any questions or would like to volunteer to help at this event, please contact Mindy at 854-2565.

### Save FCAR Money!

We currently send out between 6-8 mailings to our entire list of supporters every year. If you would like to be removed from this mailing list, please email us at [fayettefcar@hotmail.com](mailto:fayettefcar@hotmail.com) or call us at (901) 854-2565.

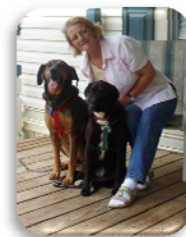

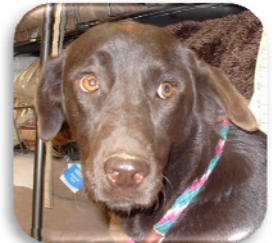

## Angels at Work

Due to the nature of the rescue work that we do, focusing on abused and neglected animals, we frequently get in animals that may not initially be considered "overly adoptable". Usually that means that they have special needs, have not been socialized or their experiences with people to date have been so traumatic that they have a very difficult time trusting a new family. We are so grateful to all of those special angels that are willing to adopt one of our special needs animals.

In 2007 we received a call about a dog that had a severe burn along his back. Although the burn healed quickly the scar required the application of sunscreen every day to avoid sunburn. Darrin then developed skin lesions that after a lengthy diagnosis were finally treatable by weekly shots that he would have to be given for life. Add to that he is a pitbull, so now we have a scarred pitbull that requires weekly medicine. Talk about hard to place! But two of our wonderful volunteers fell in love with Darrin and told their friends about him who offered to foster him. We were absolutely thrilled when they decided to adopt this special dog!

In Spring of 2008 we were notified about a dog that had been abandoned by her owner and then shot. After several attempts we were finally able to catch her and treat her for her injuries and mange. Unfortunately she was terrified of people and even after being placed in a foster home we were concerned that she would never be adopted. But the most amazing family (who had previously adopted from us) fell in love with Koko and what a fairytale ending for this girl. She is now in her own loving home where she gets to play all day with her canine and human family! What a great ending!

In February 2009 a wonderful lady adopted Mac, a 9 year old hound mix. We had him for so long we were overwhelmed that she would give this sweet boy a forever home. Well she contacted us again this summer and wanted a companion for Mac. And what goes better with a big Mac than Pickles?! Mac & Pickles had been best buddies at the shelter and even though Pickles was a very shy dog that we had for almost 3 years, this wonderful angel adopted her and now these two buddies are living the high life in their forever home. It doesn't get better than this!

## Looking for a meaningful gift for a Pet Lover? DONATE A BED

The dogs at Fayette County Animal Rescue would love a soft bed to sleep on while they wait for their forever home. The floor is cold and a Kuranda bed would give them a warm, elevated bed to lie on during cold nights. Some of our dogs already have beds, but we don't have enough for everyone. Please go to [kuranda.com](http://kuranda.com) and click on "Donate a Bed" to give a FCAR rescue in your name or as a gift for a friend of family member. Kuranda will mail a personalized Gift Card acknowledgement directly to them.

Visit our website at [fayettefcar.com](http://fayettefcar.com) or contact Kuranda.com at 1-800-494-7122

## In Memory of Charlene

While Charlene was at the shelter she spent days on end in the front yard playing with Stanley and whatever puppies had come into the shelter. Last Spring, our canopy that provided shade for that yard was destroyed in a storm and we have not been able to afford to replace it. Since there is absolutely no natural shade for that yard we have not been able to use it all summer long. We would like to purchase a carport cover which will provide a permanent shade and rain solution for the front yard and memorialize it with a plaque in honor of Charlene. The cost for the carport cover is approximately \$750.

To assist with the purchase of this carport cover please mail your gift to: FCAR,  
P.O. Box 44  
Rossville, TN 38066  
and mark your donation with  
"Charlene's Memorial".

## Sweet Charlene

~ By Gina H. Thweatt & Laurie Turner

About 5 years ago Gina kept noticing a beagle hobbling along Raleigh LaGrange as she drove to the shelter. She would hold up one of her hind legs, but she could still get around very well. Sometimes she would be lying in a yard with 2 other dogs so we assumed that was her home. We became concerned though, because her leg wasn't getting any better so Gina stopped by the house and spoke to the lady who lived there. She said Charlene wasn't hers; she just came by one day and decided to hang out with her other dogs. Knowing that Charlene was hurt and needed veterinary care, we decided to rescue Charlene so we could get her leg fixed and find her a home. Easier said than done!

The next day Gina stopped by the house, all prepared to catch her, but she kept outrunning her, even on three legs! She kept ducking into bushes and ditches where she couldn't follow so we ended up having to set a humane trap to catch her. She was named Charlene, but nicknamed "Old Momma" because she was old and had obviously had a lot of litters.

Charlene was heartworm positive and had cancer in her mammary glands. She lost some teeth, too, but that only made her cuter because it caused her tongue to hang out of her mouth. She was quite the trooper because none of these medical problems ever slowed her down. Charlene was very old, but had a lot of energy. We often said, "She had more energy than the puppies." She even had a boyfriend, another old beagle named Stanley. She loved him and followed him everywhere.

When Stanley passed away a couple of years ago we put Charlene with other dogs to play with inside the shelter. The only problem was that they kept getting adopted and Charlene kept getting a new roommate. After the fourth friend got adopted leaving Charlene by herself again, Laurie decided to take the old girl home with her to foster so that she could live out her golden years in an actual home. And did she ever live them to the fullest!

She blended right into the herd of dogs at Laurie's house where she loved

to run outside for hours and spent her day checking the yard for squirrels and sunning herself on the deck, Charlene was full of life and there is nothing like seeing her famous Charlene waddle as she ran full blast from the far part of the yard. The old girl could move!

In February 2008 Charlene got glaucoma in her left eye and had to have her eye removed. But the old girl was back to normal immediately! Even with cancer, one eye, no teeth, deaf and being bitten by a copperhead, Charlene was always happy and fun. Have you ever tried to get the attention of a one eyed, deaf dog running on 2 acres? At first we were able to blow a goose call to get her attention but then we had to resort to flashing a spotlight on her while waving our arms or finding her and touching her to get her to come inside. Made for some amusing evenings...

The best Charlene story was when Laurie's triplet nieces and mother (Grandma) came to visit one summer from California. Every day we would each choose a dog and head out for our evening walk. As we were selecting dogs we needed a calm dog for Grandma to walk and she asked about Charlene. We generally never took her on a walk simply because of her age and the distance we go but Charlene was the perfect choice for Grandma. About a third of the way around we noticed Grandma had slowed some so we turn around to check on the two old girls. And what we saw gave us a laugh we still talk about... Grandma was carrying Charlene in her arms! We asked her what in the world was she doing and she told us that Charlene had gotten tired so she decided to carry her to give her a rest. It was priceless.

Charlene spent the last years of her life running around a big yard, enjoying the sunshine, playing with dogs and snuggling in dog beds. She was 17 ½ years old when glaucoma got to her other eye and we had put her down in September 2009. I have fostered dozens and dozens of dogs, from the most severely injured to unsocialized ones that have been abused and beaten, but I don't know of any that gave me so much internal satisfaction and joy as I have gotten from giving Charlene a real home to live out her life.

*Rest in peace "Weenie", may heaven be full of all the treasures that you enjoyed here on earth.*

*It Feels like Spring!*  
FCAR has rescued 8 cats & kittens in the past couple weeks. If you are looking for a beautiful new feline companion, check out all our new babies at <http://fayettefcar.com>.

### FCAR Angel Trees are Coming!

Every year FCAR makes ornaments for each of our rescues and puts them on Angel Trees in our community. The ornaments include a picture of a rescue and their wish list for Christmas. If you would like to add one of our rescues to your Christmas list, please visit our website for a list of businesses participating this year. If you would like to have an Angel Tree set up at your place of business please contact us at (901) 854-2565.

### Fostering Makes a Difference!

~ By Lisa Heslep

I have been a volunteer with FCAR for 2 years now and I can say without a doubt that being a foster parent is the most fulfilling thing I have done with my life. During this time, I have fostered three dogs, Norma Jean, Gilbert, and Spunkie. Norma Jean and Gilbert were adopted by wonderful families and now have their forever homes, and I adopted Spunkie, a large yellow lab, who very much lives up to her name!

Fostering these animals is a really great way to help the shelter when you are not always able to give your time at various events. It also allows room at the shelter to be saved for animals that need attention for medical or other reasons. My favorite part about fostering these dogs has been the love that they give. I swear they seem so grateful to just have a home and someone to love them during the day. It really does make you feel like you are making a difference, it may seem like a small difference, but believe me, it is not small to that animal that you bring into your loving home.

A lot of people have told me that they don't think they would be able to foster an animal because they would get attached to it. This does happen but I remind them that the joy I feel when that animal finds a forever home is so worth the sacrifice. Plus, this allows you to help more than one animal!

Please consider fostering for FCAR. Food and medical attention are provided and you provide the love and transportation to adoption events. If you have room in your heart to give a rescue the love and attention they desire, give FCAR a call or check out <http://fayettefcar.com> to see the wonderful animals that are waiting for you!

## Man Arrested for Fourth Time for Animal Cruelty

~ By Gina H. Thweatt

Lotta "Laddie" Lewis was once again arrested for animal cruelty and for two counts of probation violation, just 6 months after being convicted of animal cruelty for the third time. He was first arrested and found guilty in 2000, then 2003, and most recently in March of this year. Fayette County Animal Rescue has taken in over 50 animals from Mr. Lewis in the past 9 years and spent between \$10,000-\$15,000 rehabilitating them. Fortunately, we have found forever homes for all of them however their recovery was, in many cases, a long and difficult ordeal.

In October 2008 we seized 3 horses, 3 kittens and 8 dogs from Mr. Lewis. The horses were underweight and did not have access to fresh water and food. The dogs were sickly and living in deplorable conditions. The kittens were living in a filthy rabbit hutch with no air circulation and were given bread to eat. We also found 4 dead horses on his property. In March 2009, Mr. Lewis pled guilty and was given 8 years probation. He was also ordered to pay restitution to Fayette County Animal Rescue in the amount of \$4,000. To date we have received zero from Mr. Lewis. In addition, he was not allowed to own animals for the length of his probation.

For some reason, Mr. Lewis did not follow the terms of his probation. We recently discovered that he owns several horses, all of which are underweight. They were living in 2 pastures with no grass, just dirt and weeds. There was a filthy pond available in one pasture, and dirty water in barrels and troughs in the other. The barrels and troughs were green with algae and barely had any water in them. But worst of all, the horses were very skinny, with rib bones showing and hip bones protruding. When I spoke to Mr. Lewis I asked him if he noticed the bones showing on the horses, and he said no.

I also checked one of Mr. Lewis' properties (he has multiple properties) to see if there were animals there. I found a dog in a kennel in the backyard. Therefore, Mr. Lewis was arrested for two counts of violation of probation (for possessing animals) and for animal cruelty because of the conditions of the horses. He was in court twice so far however both hearings were continued. He'll be back in court October 12<sup>th</sup> to face the animal cruelty charges and October 30<sup>th</sup> to face the violation of probation charges.

I sincerely hope that Mr. Lewis receives a strict enough punishment this time so that he will learn his lesson and never abuse animals again. However, based on results to date, I am not overly hopeful this will occur...

## A Happy Ending...

~ By Tonya Bodiford

After I heard about the FCAR rescue of the cocker spaniels in December 2007 from the puppy mill, I volunteered to foster one of the dogs. When I arrived at FCAR and saw all the beautiful young cocker spaniels I just could not decide on which one to foster. I then looked around and saw this little black and tan girl who was shaking so badly from fear. I knew then I had to take her home. Once I got her home and learned more about her I found out that she was one of the oldest cockers and had been locked up in a cage for about 7 years just to have puppies.

I knew this little girl would need a lot of love and socialization to get her ready for adoption. It was a lot of work but after 3 months I knew I could not let her go.

Yes, I adopted her. I have had her for about 2 years now and she has finally learned how to go outside and run and play. It means so much when you see such an abused animal overcome what has

happened to them and now know what it is like to be a happy loved pet. She now even gives kisses.

My little girl's name is Shylo (because she was so shy and scared). She gets along great with my other 3 rescues. Rescue Pets are the best, I encourage everyone who is looking to get a pet to please adopt a shelter animal it will change your life and bring so much joy to you and your pet.

### What FCAR Needs...

One question that we hear consistently from supporters and volunteers is "What can I do to help?" And we love that question because the answers are infinite! The amount of work and effort that goes into keeping FCAR running on a daily basis is immense, and truth be told at times overwhelming, but we realize that so much of the work is done in the background and it isn't always apparent what you can do to help. Below is just a very short list of things that you can do to help. But if you don't see something that you can assist with don't worry, the total list is very, very long so just contact us to discuss other opportunities!

- **Event Planning** – We have great success at adopting out animals and raising money at the large events we host throughout the year. The planning for those events can be time consuming and requires good organizational skills and a can do attitude. If you can help plan just one large event a year (Bike race, 5K race, Adoption Festival, etc.) we would consider you an angel!
- **Shelter Work Crew** – A huge need for us is for strong and skilled people to help maintain the actual shelter facility. Whether it is fixing fences, installing doggy doors or trimming trees, our handyman list is never ending. If we could get a few people to help just 4 hours a month we could better maintain and improve our facility for the animals.
- **Shelter Secretary** – The paperwork and phone calls can bury us alive sometimes and what we wouldn't give for someone to volunteer consistently a couple days a week to dig us out! You set the days/hours you can help; we'll show you what to do. Writing letters, returning phone calls, preparing mailings, the list is endless. No previous experience required!
- **Animal Socialization** – There is no more gratifying experience than spending time with the animals at the shelter. We have a beautiful no kill facility, filled with animals that just want to be petted and loved on by anyone willing to spend the time with them. We know there is the false perception that it would be too sad to spend time with the animals but we have had great success with socialization by volunteers making animals more adoptable so that they can find their new forever home

Fundraising, humane education, community advocate, animal taxi driver, the list goes on and on! Just a few hours of your time, even just once a year, can make a difference for the animals. If you can help, please contact us at (901) 854-2565 or [fayettefcar@hotmail.com](mailto:fayettefcar@hotmail.com). We do have a weekly volunteer email list that we can add you to if you are interested, just email us and we'll add you today!

### Donations

We can now accept donations via Paypal and via Credit Card!

To make a donation using your Paypal account or credit card, please go to:  
<http://fayettefcar.com> and click on the Donate button.

When making a credit card donation you can now choose between making a One Time Donation or setting up a Monthly Recurring Donation. You can also mail in the information on the enclosed preprinted envelope that is included with your newsletter.

Thank you for your support!

### FCARs Gina Thweatt is the "Adult Volunteer of the Year"

We are so proud of our own Gina Thweatt who won the "Adult Volunteer of the Year" award at the Spirit of Giving Awards presented by Volunteer MidSouth for her work with Fayette County Animal Rescue. There were **two** pages of Finalists and who knows how many nominees including those from the American Red Cross, American Heart Association, Habitat for Humanity, etc.... very stiff competition. But out of all those nominees our own Gina won the award for the **entire** Mid South! Congratulations Gina and thank you for your outstanding contribution to FCAR and the animals of Fayette County!

Gina won a beautiful silver engraved plate and \$500 for FCAR. Please join us in congratulating Gina on this very prestigious award.

## Memorials

"In memory of Alex, our beloved pet", from Mr. & Mrs. Arnel Pallera

In memory of Mindy, from Louis Shanks

May God bring you peace and joy forever.

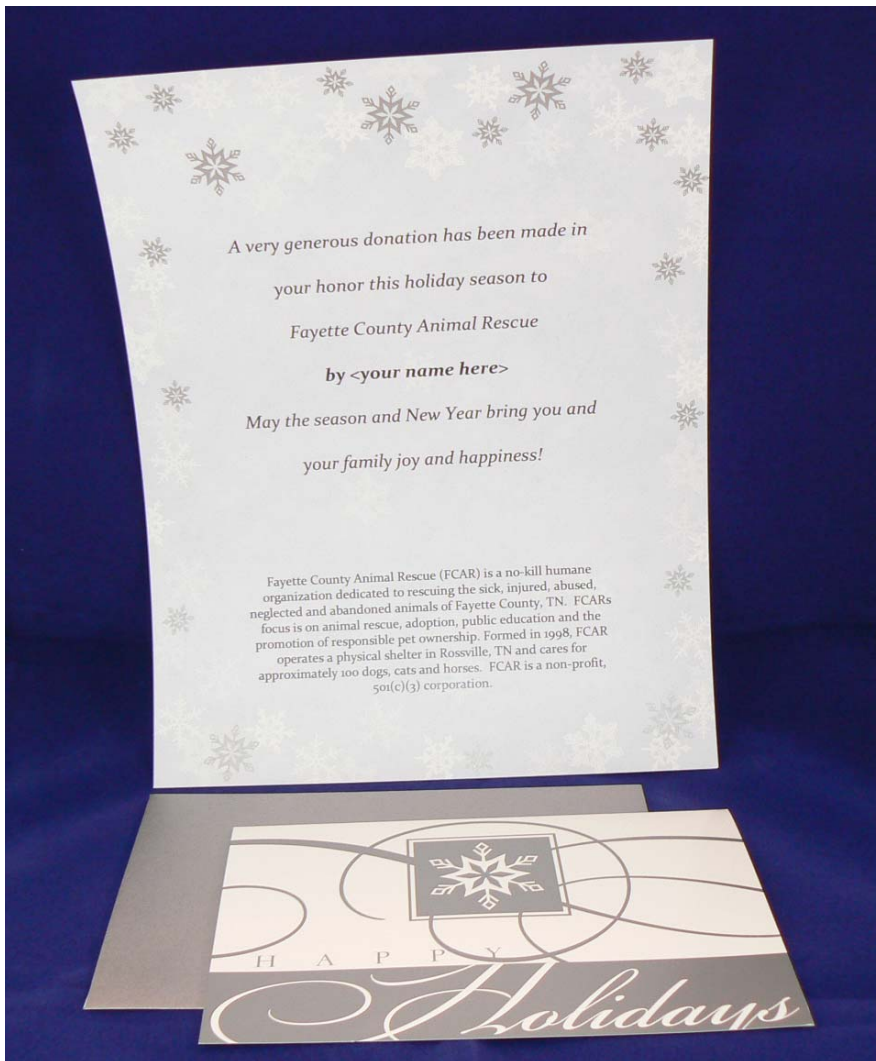

## Holiday Card Order Form

This year you can support the animals of Fayette County Animal Rescue by making a holiday donation in honor of your friends, family, coworkers, customers and everyone on your shopping list!

For a minimum donation of \$10 per card, FCAR will send a personalized acknowledgement of your gift in a holiday card similar to the one pictured to the left (*Note: individual card style may vary*).

Each card will be signed with your name and specified message and a coordinating insert will inform them that a donation has been made to FCAR in their honor this holiday season from you.

**Place your order today! It's easy  
and all proceeds benefit the  
animals of FCAR.**

**All cards will be mailed on December 1, 2009.  
Orders received after December 1<sup>st</sup> will require 2 days for processing.  
Orders must be received no later than December 15<sup>th</sup>.**

Please accept this gift of \$\_\_\_\_\_.

\_\_\_\_ I have enclosed a check made payable to FCAR.

\_\_\_\_ I have made a donation via credit card or Paypal on FCARs website ([fayettefcar.com](http://fayettefcar.com)).

**Please enclose a list of names and addresses** to whom you would like acknowledgement cards mailed or email your list to [fayettefcar@hotmail.com](mailto:fayettefcar@hotmail.com).

Please include the following message (please print clearly or attach a typewritten copy):

---

Please sign my cards with the following: \_\_\_\_\_

Your contact name and phone number: \_\_\_\_\_

**Please send your requests for cards to: FCAR, P.O. Box 44, Rossville, TN 38066  
OR email all information on the form above to: [fayettefcar@hotmail.com](mailto:fayettefcar@hotmail.com).**

*Note: We encourage you to use email, it's easy and fast!*  
Contact us with any questions via email or call (901) 854-2565.

FCAR would like to thank **PRINT SOLUTIONS** of Somerville, TN for their amazing support over the past few years. Maggie and Teresa do an incredible job for us, handling all of our printing and mailing needs and so much more. We encourage all of you to patronize Print Solutions, as their support has made a huge difference in the lives of our rescues.

**Print Solutions**  
(901) 466-0035
