

Please, won't you help us today?

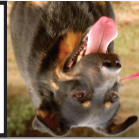

How can you express your support to a friend grieving over a lost pet? Where can money be sent in lieu of flowers when an animal lover has passed away? What can you give as a gift to the person who has everything? Send a memorial or an honorarium. When a memorial or honorarium is made in one's honor or memory, a card will be sent to the designated person with the donor's name. This acknowledgement will also be listed in the next FCAR newsletter.

## Mission Statement

To offer refuge, medical care, nourishment and an opportunity for a second life to injured and abused animals.

To offer a public statement of humanity and gentleness toward animals and protect them from cruelty, neglect, carelessness and ignorance.

To promote responsible pet ownership through humane education and to enhance the quality of humane life with animal companionship.

Without your financial support today we would not be able to care for the hundreds of animals we take in yearly. Please mail your tax deductible contribution today.

## Adoption Services

All of our rehabilitated rescues are available for a \$95.00 adoption fee. Each animal is carefully checked by a licensed veterinarian. Pets are current on vaccinations, spayed/ neutered, on Frontline for fleas and ticks, on heartworm preventative, free leash, collar and ID tag and microchipped.

## Animal Cruelty Investigations

FCAR has three certified animal cruelty investigators who investigate allegations of cruelty and neglect to domestic and equine animals in Fayette County.

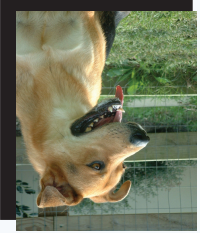

## Injured Animal Rescue

One of the most significant services provided is the rescue and care of injured animals. All animals are taken to a veterinarian for medical attention and treatment.

## MAKE A DIFFERENCE... VOLUNTEER!

We have a variety of volunteer opportunities available- all of which are extremely rewarding, educational, exciting and fun. By volunteering with FCAR you can make a significant impact on the lives of animals that have already seen too much suffering and neglect. With your help we can ensure that the lives of the animals in the shelter are stimulating and fun. Visit our website at <http://fayettefcar.com> for details to become a volunteer!

## Animal Sponsorships

Sponsoring an animal is a wonderful way to directly help the animals until they find a permanent, loving home. Your gift will be designated to a specific animal that will have a special plaque with your name, your pet's name or the name of the sponsoring company or organization. Perhaps you would like to sponsor a cat and a dog cage so that both types of pet owners in your company or household could be represented.

FCAR wants you to feel a sense of ownership by virtue of sponsoring one or more of these animals. We encourage you to visit us to cuddle and love the animals. We promise they will love you in return. They are so deserving and appreciative! This is our way for you to house the beautiful animals you would like to take home but can't. It's their home away from your home.
