This is the audio and Subtitles Settings.

In this box you can chose to delete foreign language tracks and subtitles.

This may improve the quality of your copy.

- 1. Chose "DVD Files"
- 2. Select the folder you want to save the movie in. Make sure you put the name of the movie here or you will keep overwriting the existing movie. I recommend using the directory shown here.

C:/DVD Copies/"Your Movie Title"

3. Hit go.

When the process is done you will have a copy of this movie on your hard drive.

To burn this copy to a disc open CloneDVD

Select "Write Existing Data"

CloneDVD2		
Source and Output Method		Preferences Help ?
Source DVD movie files Enter the path of the IFO/VOB files to process: C:/DVD Copies/Pink Floyd/VIDE0_TS	Output method DVD files ISO/UDF 2	image DVD writer
