

DR. EVAN KLIMKEW

We're authenticating the artifacts in the serial killer vault. Frankly, the sheer amount of work down there is taxing us to the limit.

BOOTH

(off Klimkew's wedding ring)

What does your wife think of these late hours?

DR. EVAN KLIMKEW

I'm separated. That's your answer.

BOOTH

Are you seeing anyone, Dr. Klimkew?

DR. EVAN KLIMKEW

Are you serious?

BRENNAN

It's a murder investigation, Evan.

DR. EVAN KLIMKEW

No. I'm not seeing anyone special.

BOOTH

Thank you, Dr. Klimkew.

Evan glances at Booth warily as he leaves.

CUT TO:

TYLER NEVILLE, 24 years old, baby-faced, keen, very bright, is regarding an "anti-masonic spinner" through a jeweler's loupe. Booth and Brennan watch him -

> TYLER NEVILLE

(explaining)

This spinner appears to be Masonic in origin. Bloodstone, gold - but what's interesting is that when you regard it under a loupe...

He hands the jeweler's loupe to Brennan -

> TYLER NEVILLE (CONT'D)

All the details, the little symbols are upside down and backwards.

BRENNAN  
Gormogon symbols?

> TYLER NEVILLE  
Strange, huh? We're finding a lot  
of that in here.

BOOTH  
Gormogon? What's that?

> TYLER NEVILLE  
The Ancient Noble Order of the  
Gormogons was a secret society  
dedicated to eradicating the  
influence of the Freemasons and  
Illuminati in Europe in the early  
18th Century.

BOOTH  
What happened to them?

> TYLER NEVILLE  
They disappeared.  
(off the vault)  
This could be what's left of them.

BRENNAN  
Is this the piece you and Kristen  
were authenticating last night?

> TYLER NEVILLE  
Yes. She was the one who noticed  
the upside down and backwards  
stuff. She had a great eye.

BOOTH  
How long were you here?

> TYLER NEVILLE  
I signed out around midnight.  
Kristen stayed longer, like always.

BOOTH  
What's with the attitude?

> TYLER NEVILLE  
I worked my way through state  
college. I have a second job,  
which is why I left early. Kristen  
went to an Ivy League college and  
her dad's connected. Who do you  
think needs the Bates Fellowship  
more?

BOOTH

The Fellowship's yours now, right Tyler? With Kristen out of the way?

Tyler stands to leave -

> TYLER NEVILLE

I'm not glad she's dead.

BOOTH

You didn't seem too upset is all.

> TYLER NEVILLE

I'm not sure I've processed the fact that she's dead. But I liked Kristen and she liked me. Check the logs. I wasn't here.

BRENNAN

Do you know who Kristen was seeing?

> TYLER NEVILLE

Only that it was an older guy and I'd be really surprised when I found out.

BOOTH

How about you, Tyler? You married?

> TYLER NEVILLE

I'm gay, Agent Booth. Though right now, my orientation doesn't matter because I have no time for romance of any kind.

(then)

Excuse me.

And he leaves the vault. ~~Booth sees Brennan looking at him -~~

BRENNAN

You went pretty hard on Tyler.

BOOTH

He's a good suspect.

BRENNAN

I'm not criticizing you.

Brennan sees something. She bends over and picks up a purse -

BOOTH

You are criticizing me.
