HANK BOOTH

I need a book light. I won't be in your way.

BOOTH

Just wait for me at the entrance. I'll go find the manager.

Booth hangs for a moment, wondering if Hank will do as he asks.

HANK BOOTH

Go! Keep America safe.

And Booth walks off as a CUSTOMER comes up to Hank.

CUSTOMER #1

Where would I find electrical tape?

HANK BOOTH

(looking around)

Let's see, I'm sure I can find that for you... follow me

As he heads off with the customer -

Booth is with the store manager, HELEN MACK.

BOOTH

Any of your employees not show up for the past few days?

HELEN MACK

Yeah. Meg Jones' been AWOL since Tuesday. That's not like Meg. She's very reliable, seemed to love her job.

BOOTH

You have an employee photo of her?

HELEN MACK

Sure. Did she do something? She seemed so sweet.

BOOTH

No. We're concerned that something might have happened to her.

➤ HELEN MACK

Oh God. I'll get her file.

Helen walks off as Hank walks up to Booth. He's now wearing a Brand Land orange vest.

BOOTH

What are you wearing? You don't work here.

HANK BOOTH

Three people said I'm the best greeter they've got so I took a vest. My supervisor likes me.

BOOTH

Pops. We gotta go.

HANK BOOTH

But my shift's not over.

Helen returns with Meg's file, sees Hank.

➤ HELEN MACK

Why aren't you on the floor?

Booth takes the file.

BOOTH

My grandfather. Big fan of the store. Come on, Pops, I've got to send this over to Bones.

Booth and Hank head for the exit.
