HODGINS

Biggest regret of my life is I
didn't stop you.

They regard each other -

ANGELA

What was with that whole thing?

HODGINS

I panicked. I lost faith in my
ability to sustain that kind of
happiness.

ANGELA

You talked to Sweets?

HODGINS

Kid's got the goods.

ANGELA

It was like we were playing chicken
and we both swerved.

HODGINS

What we should have done is crashed
into each other.

ANGELA

At the speed of sound.

Hodgins makes an EXPLOSION NOISE - Angela interrupts it by
kissing him. Oh yeah, now that's a kiss. In fact, they
start removing clothing when -

SHERIFF GUS ABRAMS (O.S.)

The judge is here.

They turn to see the Sheriff standing with the local Justice
of the Peace - LLOYD BARBER, who is obviously a barber -

HODGINS

The judge is a barber?

LLOYD BARBER

Keeps me grounded.

SHERIFF GUS ABRAMS

It's against the rules for
prisoners to fraternize sexually
while in custody.

Brennan Booth in -

BOOTH
Bat bones?

BRENNAN
Myotis albescentis. Not indigenous
to the United States but the bones
are available online.

BOOTH
Like everything else.

Sweets rushes in with one of his Salem Witch Trial
transcripts -

SWEETS
I think I've identified our
skeleton bride!

BRENNAN
You identified human remains?

SWEETS
Dr. Brennan, you said the woman had
been subjected to a form of torture
known as "pressing"?

BRENNAN
Yes. That's how I surmised we were
dealing with the remains of a Salem
Witch.

SWEETS
In fact, only one Salem witch died
as a result of pressing. Well, one
female. There was an eighty year
old man -
(off their looks)
You don't care about the old man.

Booth takes a highlighted transcript from Sweets -

Justice of the Peace Lloyd Barber faces Hodgins and Angela as Sheriff Abrams looks on ~

LLOYD BARBER
All right, what I'm doing here is releasing you two on your own recognizance.

ANGELA
Thank you.

HODGINS
We'll pay our fines and make our court appearances.

LLOYD BARBER
I'm sure you will, but if you don't...

He indicates Sheriff Abrams as he stands to leave -

LLOYD BARBER (CONT'D)
... Gus here was trained as a Mountie.

SHERIFF GUS ABRAMS
Flin Flon, Manitoba.

ANGELA
He always gets his man?

HODGINS
That explains a lot.

LLOYD BARBER
Gus will come after you if you don't follow the letter of the law.
(as he goes)
Let me notarize all this stuff and we'll get you on your way.

Angela and Hodgins are left alone again -

HODGINS
How long did he say he'd be gone?

ANGELA
Forget it.
