LUKE

The what?

APRIL

Grownups. You never saw the original "Star Trek"?

LUKE

Yes, I did. Grups. Yes.

APRIL

Square bunch. Legally necessary. The one in the cords is our math teacher, Mr. Munster. Good guy, a little nerdy. Likes to wow us with his Chris Rock impersonation. It's borderline racist.

They approach the bus.

LUKE

Let's leave the bags till we get the lay of the land.

APRIL

This is pretty much the land.

LUKE

But, there must be a check-in point somewhere here, a protocol to follow, so why don't you stick with me and--

April runs off and on to the bus to join her friends.

LUKE (cont'd)

Right, or just getting on the bus is a good thing, too.

Luke heads to the group of grups, which includes the forty-something math teacher, MR. MUNSTER, and two other chaperones: a woman named KELLY and a man named EARL. They're all dressed nicer than Luke, who is in his usual outfit.

EARL

Hello, there. You our pilot?

LUKE

Your what?

KELLY

Are you the driver?

LUKE

Me? No. I'm Luke Danes.

EARL

Oh, you're Luke Danes. I'm sorry,  
we thought you were our driver.

LUKE

No. Sorry. I brought nicer clothes  
with me, so I won't always be in  
this.

EARL

That's okay. I'm Earl Stepton,  
this is Kelly Furlington, and you  
probably know Roy Munster here,  
your daughter's teacher.

LUKE

Actually, no. I'm April's new  
father. I mean, I'm not new, but  
I'm new to her. So, hey.

Luke and Roy Munster shake hands.

MR. MUNSTER

*start* → She's a bright one, your daughter.

LUKE

Go figure.

April and a couple friends have opened one of the bus windows.

APRIL

(to Luke)

Hey! Luke!

LUKE

Yeah?

APRIL

People in here were wondering who  
you are.

LUKE

Oh. Well, go ahead and tell them.

APRIL

(to her friends)

That's Luke.

April and the kids fall back into their seats. Kelly hands  
Luke a thick, stapled bunch of pages.

KELLY

So, here's the detailed itinerary.

MR. MUNSTER

Wander time, exploring time...

KELLY

TV time.

~~EARL~~

~~Porn will be pre-blocked at all

~~LUKE~~

~~Okay, so, no porn.~~

MR. MUNSTER

Study breaks, check-in with  
parents...

KELLY

Bedtime hours...

~~LUKE~~

~~So, we go to bed at nine.~~

~~EARL~~

~~The kids do. You don't have to.~~

~~LUKE~~

~~Right. But, I could.~~

~~EARL~~

~~Sure.~~

~~LUKE~~

~~Great.~~

MR. MUNSTER

Shall we get on board so they don't  
leave without us?

LUKE

I just have to get my bags.

KELLY

See you on the bus.

LUKE

Yeah, see you.

Kelly, Earl, and Mr. Munster cross toward the bus. As Luke  
heads back to the truck for the bags:
