### DIRECTIONS to LAQUINTA:

FROM THE SOUTH: 35 North to 30 WEST — I-30 West turns INTO I-20 West

I-20 HEADING WEST about 20 minutes directly west of Fort Worth:

Weatherford Exit 408— Tin Top Road/Main Street Exit

Take a right at the light (heading north) not even a block and then another quick right on Adams. Hotel is on the left; corner of Adams and Wall St.

### FROM LAQUINTA TO the DOSS HERITAGE & CULTURAL CENTER:

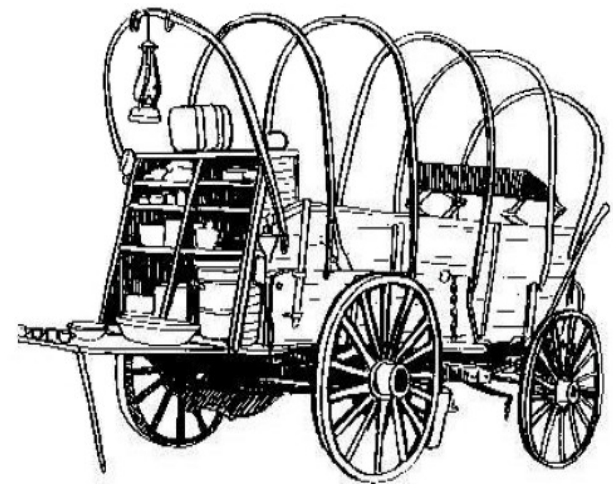

Out of the LaQuinta Parking Lot, take a left on Adams. Continue on Adams until it dead ends into Texas Drive. Take a left on Texas Drive and continue on through until you come to the Doss on the left. A BBVD Bank is on the right directly across from the Doss. The distance between the two is exactly one mile. (It will take you about 4 minutes if the trail is clear.)

There is no need to get onto the highway in order to go between the hotel and the Doss.

NOTE: ALL Maps will take you via Ann St. This is not necessary as ADAMS now goes to Texas Drive which makes it just a short jaunt to the Doss.
