

Multimedia Fundamentals Project Work

1. Each student should create an **animation or video** on one of the following topics.
2. Your project should have both visual and audio components.
3. You are also required to submit a **brief report** illustrating the steps you had done to create your project.
4. Your animation or video should be **minimum 3 minutes** and maximum 10 minutes long.

Topics to choose from

1. Create a holiday greeting card.
2. Create a manual on how to operate and log into the computer in the lab and open Flash MX
3. Create an intro/advertisement for a professional video taking company called "Shooting Stars"
4. Create an animation on "Positive Attitude"
5. Create a short cartoon.
6. Create a video about your class
7. Create a video on the Do's and Don't's of your class
8. Create a video on "Me, my friends and my school"
9. Create an advertisement for "ITE College East"
10. Create an advertisement for the reality show program "Students of Today" for channel 5

You have to choose and inform the on the topic you choose in the next class.

You are given 2 weeks in the class to finish the work. You are free to work at home and in the multimedia development center.

Submission of the work is in **your last class of MMF (Oct 11)**.
