Classes are different levels; confirm with instructor for space and appropriate level before sending registration.

A signed **Student Liability Waiver** and a check written to "**Sally Hildt**" must accompany all registrations.

All dogs must be on leash when on the property except during a working session within the arena.
You must keep your dog under control when not running a course. Control barking, PLEASE!!!
Wild Child Agility reserves the right to cancel any class due to weather or other unforeseen event.

This is a private facility and we must make every effort to make everyone happy -- ourselves, the owners as well as the neighbors.

Drive **very slowly** on the road to the facility,

Bring a great attitude and a lot of cookies for you and your dog,

Be prepared to have fun,

And, last but not least in any way, pick up after your pup and yourself. (We generously allow you to take **all** this waste home with you!)

Assume you are in the class unless you hear from me. I will not send out confirmations.
