NOTES: If you have an Office Upgrade packages, (except Small Business) use a full key to make it a Full Install package.

Several sources have confirmed that product ID GC6J3-GTQ62-FP876-94FBR-D3DX8 is a special key that can be used to bypass the 50 use registration wizard that is used on International versions. (Except Small Business Edition)

Contact: Kevin Hartley win98serial@hotmail.com

Website: <http://pid98.tripod.com>

Please send any Windows 98 (Canadian/US) or Office 2000 serial number not already listed to the above address to be added to future lists. I have no way to test foreign language versions, and will NOT post un-tested/un-verified serials.

IF YOU DON'T WANT YOUR KEY DISTRIBUTED, DON'T SEND IT TO ME !!!
