Classes & Activities

Yoga

In this method of yoga, students receive precise instruction on alignment, which is beneficial to improve posture, muscular strength and flexibility. Props are used to assist students in reaching the full depth of each pose to individual capability.

This form of yoga is also excellent for improving balance and body awareness and reducing stress. This class is open for students of all ages and ability levels.

Instructor:
Colleen
Harshbarger

Time: Thursdays 5:45 - 7:15 pm.

Call 291-6195 for location.

Dates: Session I - May 8, 15, 22, 29, June 2, 12, & 19

Fee: \$60.00

The BOPARC Pickers *Pickin' in the Park*

Enjoy traditional Appalachian music every Wednesday from 5 - 9 p.m. at the Marilla Park Pavillion. Bring your instruments and join this weekly jam session or come to listen and dance!

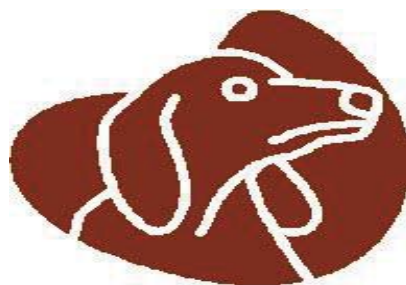

Fun Dancers Line Dancing

Join the BOPARC Fun Dancers in learning some of today's hottest country line dances as well as some old favorites. Those interested in beginners classes should call Pat Gill at 599-6170. All ages welcome.

Instructor: Pat Gill

Time: Every Thursday, 1-3 p.m. at Marilla Center

Fee: \$3

Dog Tags

Teach your dog some tricks with the help of BOPARC Dog Tags Training School. Several sessions are available. Classes are limited and on a first come first come basis. Classes start the first week of June.

Wednesday & Thursday -- 7 p.m.

Saturday -- 9:30 a.m.

For more info call 296-7924.

Fun Factory - Children's Museum

The mission of the Fun Factory is to provide a creative, recreational play space that is fully accessible and open to children of all abilities and their families. For more info call (304) 292-4646, e-mail funfactory@att.net or visit www.thefunfactory.org.

Friends of Old Time Music

The Morgantown Friends of Old-Time Music invite you to come and dance. Beginners and singles are encouraged to attend. Each dance is taught with a brief walk through before the music begins. Dances are generally a mix of old time squares, contras, circle dances and waltzes. Dress is casual and children are welcome. We dance with strangers! For more info visit: <http://www.morgantowndance.com/>

June 14: Pattyfest (www.pattyfest.org)

BOPARC Day Camps

Arts in the Park

July 14-18

August 4-8

'Arts in the Park', 2003 winner of the Eugene M. Fuller Program Award, is a weekly program designed to promote arts exploration and

instruction as well as outdoor recreation for elementary school-aged children.

Children will be grouped according to grade level and age and will rotate among four diverse classes including sculpture, mural making, painting, music and movement.

Supervised swimming sessions at Marilla Pool will be scheduled each day. Campers are responsible for bringing a bag lunch each day. Snacks will be provided.

Fee: \$100 - includes materials & admissions

Faculty: Debora Palmer, B.J. Campione,
Sonda Cheesebrough, Heidi Dunkle,
Mike Green

Chamber Music Camp

June 10 - 13

12 - 16 year olds.

Entry by audition only

Fee: \$100

Instructor: Jenny Menna

Music at Marilla

Session 1

June 16-20 (Grades 4-6)

Session 2

August 11 - 15 (Grades 1 - 3)

Music at Marilla will offer elementary school age children the chance to participate in creative music making and outdoor recreation at Marilla Park. Participants will make instruments, learn songs and music fundamentals and explore music in a natural environment.

A supervised session at Marilla Pool will be scheduled each day.

Fee: \$90 per session

Class Facilitator: Jenny Menna

Jamie's Juggling Camp

June 10 - 13

August 4 - 8

Looking for something unique to learn this summer? Learn to juggle! Anyone can learn at Jamie's Juggling camp. Start with basic three-ball juggling and learn many tricks to impress friends and family at a public show at the end of the session. Supervised swimming at Marilla Pool included daily.

Fee: \$75

Instructor: Jamie Whoolery

BOPARC Day Camps

Rocket Camp

June 10 – 13

August 11 – 15

At Krepps Park

Build Rockets and see them soar into the air!

Participants will learn the art of rocket making including flight dynamics, rocket design and construction, altitude and wind drift and rocket propulsion. Knowledge of multiplication and division a plus. For more information email stex21@aol.com

Instructor: Jerry Steketee

Fee: \$100
