

Memories
should do
more than
gather dust...

IF IT'S IMPORTANT TO YOU,
IT'S IMPORTANT TO US.

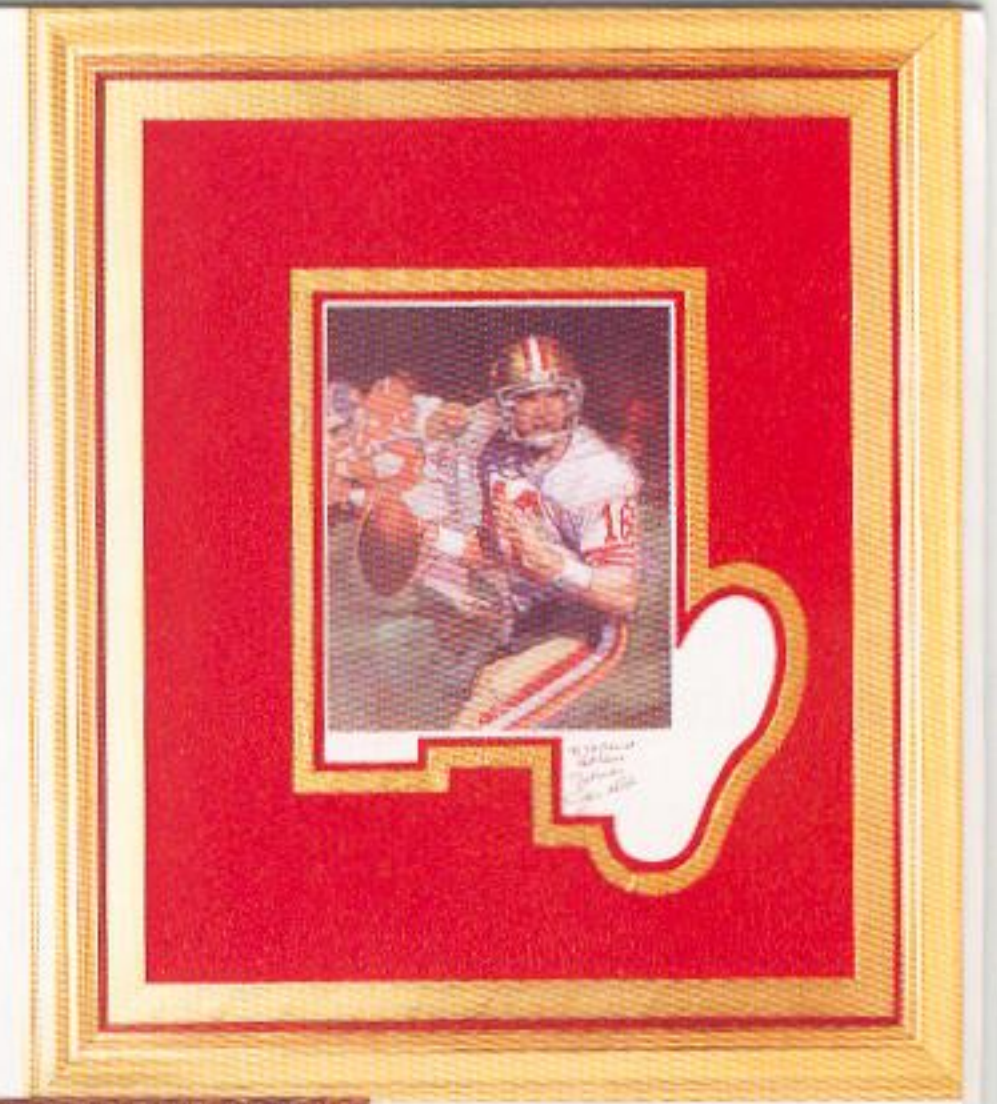

Improve your memories.

■ Celebrate the important things in your life. At Fastframe we can turn your memories into fine works of art. If your keepsakes are worth hanging on to, their worth hanging on the wall — from your aunt's needlepoint, father's medals and grandpa's gold watch, to that antique family photo or even your horse's first blue ribbon. Let us turn your special mementos into works of

art to cherish for years to come. Our framer-designers are true craftspeople who take pride in creating museum-quality pieces you can display with pride, no matter how unusual, or precious and sentimental. We have a wide variety of framing materials available to give you just right look — from frames, mats and design elements to Preservation Plus™ — a process using

protective materials and techniques that will ensure generations of enjoyment from your artwork or memories. And because all work is done right on the premises, you're guaranteed quality results. Fast. So if you have important mementos fading away in a box somewhere, dig them out and bring them into Fastframe. It's the easiest way to improve your memory. ■

They should gather compliments.

satisfied customers, and we guarantee it. Here we have assembled a sample of ideas to stimulate your creativity, and as you will see, it's not just what you frame, it's how you frame it! Custom picture framing is an old

world craft utilizing modern state of the art techniques and products. This brochure is designed to increase your knowledge and expand your horizons when it comes to custom picture framing.

The Elements of Custom Picture Framing

Preservation Plus™

Fastframe's exclusive treatment for preserving artwork. We use only the highest quality, museum standard materials to ensure total protection for your artwork.

Shadow Box Framing

The technique of framing 3 dimensional objects using extremely "deep" frames.

Multiple Openings

Displaying multiple images within a single matboard.

Floating Art

Technique giving artwork the appearance of freely floating on top of matboard.

Fillets

A small decorative frame available in many styles and colors. Commonly used on the inside edges of mats.

Fabric Wrapped Mats

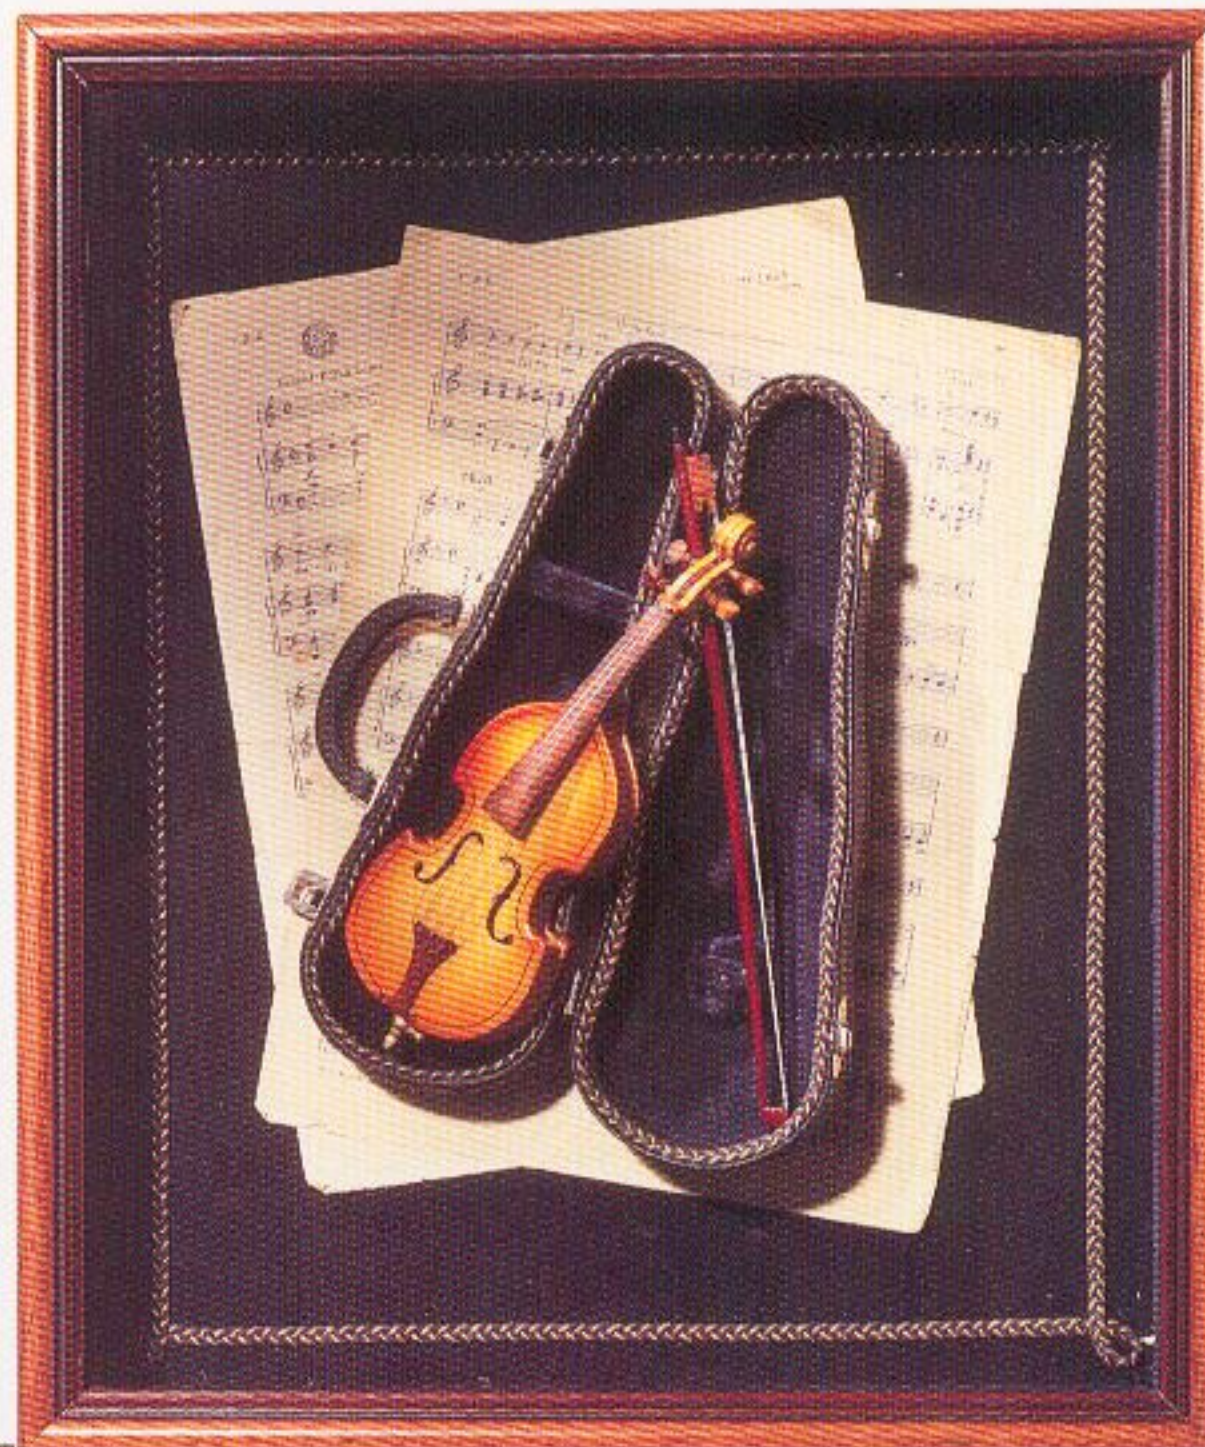

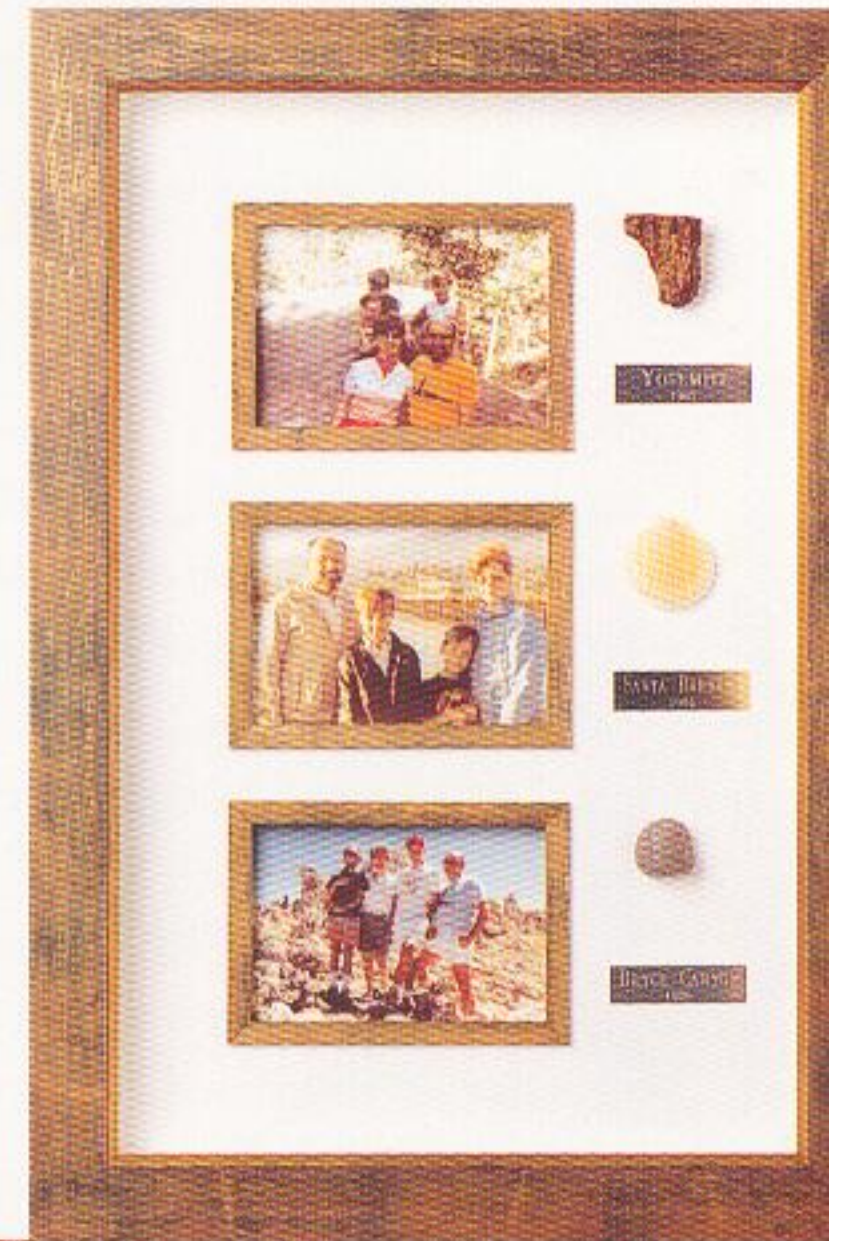

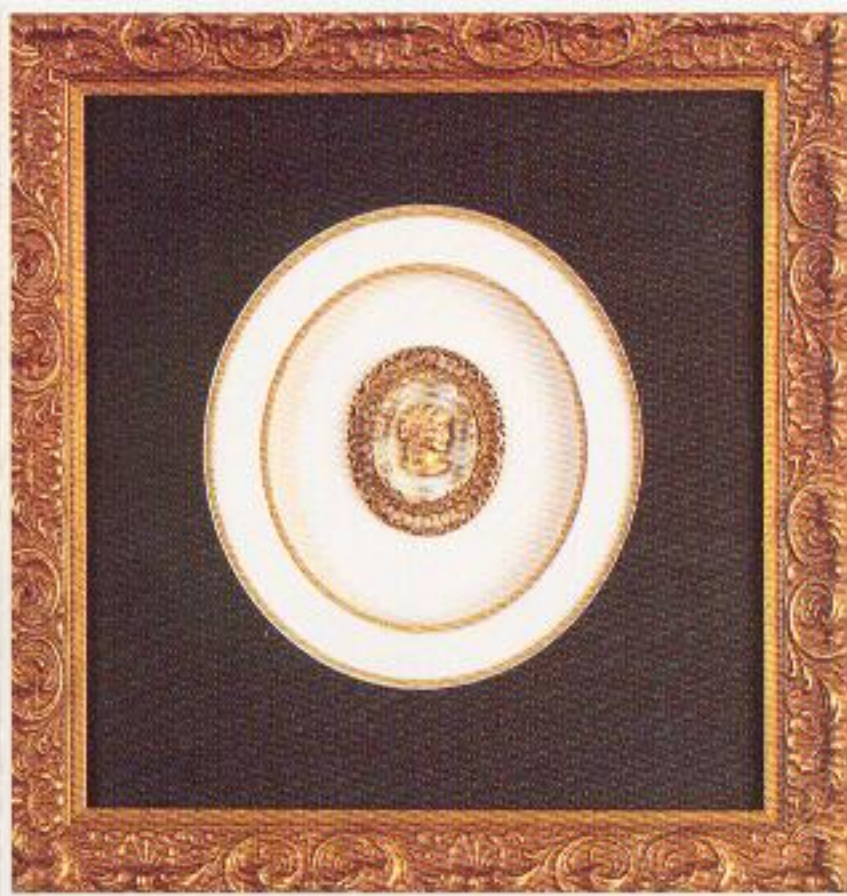

The technique of covering matboard with fabric to give your artwork a custom look to match your decor. Often used to compliment the colors and fabrics of your home decor.

Mounting/Laminating

Technique used to adhere, flatten and laminate artwork onto various substrates. This also protects the artwork against wrinkles and creases.

Decorative Mats

The art of cutting specialized designs into matboard to enhance the artwork being framed.
