Offering wanted and needed information is one proven way to get you across the bridge to a more profitable pasture. I help you across the bridge and help you get to where you want to be.

Allow me to help you get over the bridge to a more profitable future.

Listen, you get to do anything you want online. But if you were to examine the top money makers, they ALL have some sort or form of information to offer to you.

Today many of the top Crypto Mavens are making more money selling HOW-TO information than they make with Crypto trading.

And here is the important thing: even if you think you have nothing to offer to the world, one talk with me and you'll find out you DO have some hidden and stored value in your brain and I'll help you get it out and into the marketplace.

Here is the deal. I will create an information product for you, mostly in the form of a short report but it can take many other forms, I cater to what you want to do.

Once I create it, it is all yours to sell it and/or use it to get names on a list.

Offering information is a tested and proven path to more income.

Just around the bend is a bright future if you choose to follow it.

You know information sells, because YOU have bought it, maybe too much of it, but now you get to be on the receiving end of the cash flow, isn't that a better way to go?

These short specialty reports run 4 to 10+ pages in a PDF file. I will be your ghost writer, complete the report ready to be offered, and you put your name on it and use it however you want. Or I can help you create audio, video or whatever you need, even websites, blogs, forums or almost anything else.

Look it isn't rocket science and doesn't require much knowledge either, I'm pretty far from being called a genius (except in sarcasm), truth is, I ain't no Einstein.

Here are samples of short information products. I can show you plenty more upon request, after all I have created over 75 by myself and another 25+ with other people. Just ask, I'll email you even more examples.

<https://www.angelfire.com/biz/gjbiz/2021a.pdf> Short report.

<https://www.angelfire.com/biz/gjbiz/ccs.pdf> Sample sales sheet but not a landing page.

<https://www.angelfire.com/biz/gjbiz/persuasion1.pdf> Sample Hotsheet.

That is the sales pitch, take it or leave it. I will also offer a FREE online consult to help you flesh out your idea first.

But the most important thing is, I will show you how and help you market your information as part of the deal.

Hey, I'm retired. This is for fun and keeps me sharp, when it gets to be too much, this offer disappears. Fair enough?

NEW FOR APRIL 2022. Read this, it is important.

I am about to launch my ART work, mostly as NFT, the now famous Non Fungible Token, as well as some one of a kind framed art. This has been a Top Secret project for several months. It will remain a secret, however, if you are selected to join in this offer, I have a private forum to follow along with my entire marketing campaign for my art. I have a foot in the old world of Mail Order and Remote Direct Marketing and one in the New World of all things Crypto. This is a look over my shoulder as I build my Network of art dealers.

Hey, I've been selling information products for over 40 years. I've created, written, co-authored, ghost written scores of white papers, HOTSHEETS, specialty reports and also advertising campaigns.

I've never applied for a job in marketing or as a copywriter, however, 100 million dollar a year companies recruited me and made offers I couldn't refuse.

Normally my rate for this would be \$5,997,00. Every so often, for a limited time to a limited number of people, I only charged 997.00

TODAY, this SPRING ONLY (2022) it is:

Make me an offer.

I know money might be tight. So, if you are cash strapped and on the way to the poor house, I am willing to work with as a joint venture partner, or listen and entertain any OFFER you might want to make. Yea, I'm out of my mind.

But maybe I will find that one person who has so much stored value in their brain, that with my help, turns into a gushing geyser of profits, we both will laugh all the way to the bank. Who knows?

So, talk to me. Send an email, start a conversation, let's flesh out your idea, let me know what you want, fair enough?

If you just want to buy a product from me, a custom created, with YOUR name on it, sure I can ghost write it for you.

If you want the ads or landing page, or sales page, sure I can do that for you.

If you don't know what you want, maybe I can, maybe I can't HELP you discover what it is you do want...

But my only RULE for this offer is: YOU must want to earn at least \$5,000.00 per month by the end of the year, is that OK with you?
