## Questions and Answers

**1. When should I take Agrisept-L®?**

30 minutes before your meal.

**2. Are there other uses for this product?**

Yes. Agrisept-L has a wide spectrum of uses. Grapefruit seed extract has a long history of use in alternative medicine. Please refer to our [www.eyicom.com](http://www.eyicom.com) web site for further research on it's applications, history and uses.

**3. Can I use Agrisept-L topically?**

There are some instances where Agrisept-L can be used topically. Do not use undiluted.

**4. Will Agrisept-L destroy the good bacteria in my body?**

No. The product has a low pH and will leave good bacteria unharmed.

**5. Is it available in larger quantities?**

Agrisept-L is only available in a one-ounce bottle.

**6. What is the shelf-life of an Agrisept-L bottle?**

The product has a shelf-life of 36 months, opened or sealed. Every bottle has an expiry date and lot number.

**7. Can my child use Agrisept-L?**

All suggested use protocols are designed with adults in mind. Please consult your health care practitioner before introducing any new supplements into a child's diet.

**8. Is there a guarantee with Agrisept-L?**

Yes. There is a 30-day satisfaction guarantee on all EYI products.
