September 4, 2013, Issue 149

## *Activity Office*

The Activity Office is closed until November. E-mails will be checked on a random schedule until then.

## *Roundup Articles*

Articles for the October Roundup are due in the office by September 10. They may be emailed to [office@apachewells.com](mailto:office@apachewells.com), taken into the office on a Flash Drive or CD for them to make a copy. Look for the Roundup in several places in the community or on the website under What's New, after October 1, because they will not be delivered to homes. The November issue will be delivered to homes.

## *Aquatic/Fitness Center Status*

The old facility has been demolished and site preparation is nearly complete. Temporary space is set up in the Mojave Room and seems to have been well received. We are experiencing very significant delays in the construction permit process. There is no way to calculate a release date. Construction is planned to take approximately four months from receipt of the permit. A new schedule will be released when the permit is issued. Photos may be viewed on the website: [www.apachewells.com](http://www.apachewells.com) then click on Photos in the Menu bar.

## *Apache Wells Shrine Club September*

Welcome back Shriners. Not much going on at the club this month. We do, however, have a steak fry at the Apache Wells Gazebo on the 19<sup>th</sup> at 5PM. Bring your own service, a potluck dish, and drinks and come on out.

As a heads up, October starts the monthly luncheon and meetings. It is on the 10<sup>th</sup> at Apache Hall; starts at 12:30. There also will be a steak fry on the 17<sup>th</sup> at 5 PM in the Gazebo. Hope to see you there. Jack Roberts, Club Scribe
