## **Pancake Breakfast Fundraiser**

**Tuesday, November 11, from 7AM until 11AM**

The swimming pool committee is sponsoring a pancake breakfast at the Gazebo. There will be a free-will donation to raise money for new equipment around the pool. They will be serving pancakes, sausage, juice and coffee. Raffle tickets will also be available for a drawing of some nice prizes. Wear your nametags and bring your neighbor. If you would like to help out call Jo Gregory at 641-8959

## **Handymen needed**

Apache Wells has been most fortunate to have two men who have given an extraordinary amount of their time to our community for a number of years. To list all of the things that **Don Fourcade** and **Don Voita** have done in the way of maintaining, improving and fixing things on our buildings would take many pages to list. They deserve a very hearty **THANK YOU.**

One way you can express that thanks is to step forward and volunteer some of your time, on a regular basis, to take on some of the load they have carried.

If you have a background that is suitable for this kind of work, give Don Fourcade a call at 981-6152 to discuss the help that is needed.

## **Demolition of Apache Hall Begins**

The fencing is now up to cordon off the work area for the demolition of Apache Hall which began on **Thursday, November 6**. The complete job could take around two weeks.

Please exercise caution whenever you are in the area as safety is a major concern. The visibility from the construction machines and huge trucks is limited so give them plenty of room.

The newsletter will be sending out pictures as the work progresses for those homeowners that are not here to see this event.

## **Pool and Exercise Room Closing**

**The swimming pool and exercise room will be closed for certain periods of time as the demolition work is under way.** Every effort will be made to have these facilities open when your safety can be assured, but it is impossible to predict just when conditions will be safe for them to be used. Notices will be posted near the pool entrance by the

Gazebo and on the official bulletin board next to the Homeowners Office. You can also call the office for this information.

**Meanwhile, The Village of Apache Wells has again indicated that Apache Wells homeowners are welcome to use their pool during the demolition period.**

## **Sign in Please**

**It is most important that you sign in at the Homeowners Office as soon as you arrive. All official communications and absentee ballots will be mailed to the address that they have listed for you.**
