

Apache Wells Newsletter

April 2, 2010 Issue 102

SPECIAL BOARD MEETING

There will be a Special Board Meeting on Monday, April 5, 8:30AM in the Administration Building. The purpose is to vote on a variance for installing a manufactured home older than two years.

NEW ACTIVITY DIRECTOR

Gail Fassett has been hired as the new Activity Director effective April 1. She and her husband Gordie live here in Apache Wells. She is a very energetic and organized person. If you attended the Pool Grand Re-Opening, you saw what a great function she organized. She is already planning activities for the summer and next season. She will be in her office in the Administration Building most mornings until she leaves for the summer in Michigan. If you have suggestions for group outings, you may call her at 832-1550 or send her an e-mail at gail@apachewells.com.

LIGHT RAIL TRIP

Have you been wanting to ride the light rail and haven't been sure how or didn't have anyone to go with? Gail Fassett will be escorting a group for a ride to the end of the line and back on Friday, April 9, leaving the Gazebo area at 9:00AM by carpool. You will board the train at 9:30 and return to Apache Wells about 1:00PM. You may exit at any stop for lunch or other interests on your own. Gail will direct you to get off at a fun stop if desired. An all day light rail pass for seniors is \$1.75, so bring small bills. Please sign up in the Homeowners Office by 3:00PM Thursday.

HOMEOWNERS MEETING

The last Homeowners Meeting of the season will be Tuesday, April 13, 7:00PM in Room A.

RECYCLING REMINDER

Prior to taking your aluminum cans, bottles and jars to the recycle bins, please rinse them out. Any liquid left in them causes bees to

gather in the bins and no one wants to be stung. Thank you for your cooperation.

PING PONG TABLE

Interest has been expressed in having a ping pong table available for residents to use. If you are interested, please send an e-mail to media@apachewells.com or call Carolyn Agee at 218-1137.

LARGE APPLIANCE DISPOSAL

If you will be replacing any large appliance, such as a stove, dishwasher, water softener, hot water heater, washer or dryer, call the Homeowners Office to arrange to have them picked up at no charge. A refrigerator or freezer will need to have the Freon drained, which might require a fee. Appliances are NOT to be left by the curb on scheduled garbage days assuming they will be picked up, because they won't.

MAY ROUNDUP

The May Roundup will not be delivered to homes, but will be available for pick up at the newsstand by the Quilting Room, in the Library and in the Homeowners Office. If you are leaving for the summer and would like it mailed to you, you may leave a 9x12 self-addressed, stamped envelope in the office. U.S. mail will need \$1.50 in stamps and Canada mail will need \$1.90 in stamps.

OBITUARIES

McKinley Hemming, passed away on February 4.

Viola Buell, passed away in March.

Robert B. Heward, age 86, born in Snowflake in 1924, a resident of Apache Wells for 32 years, died peacefully in his sleep on Sunday March 7, 2010, following a gradual decline in his health. Mr. Heward is survived by Donalee, his wife of 67 years, four of his five children, 11 grandchildren, and 7 great-grandchildren. He was buried in the family plot near his parents at the Holbrook Memorial Cemetery.
