

Apache Wells Newsletter

June 6, 2013, Issue 148

Parking Lot Repair

Parking lot repair will be done in two sections. Each section will be inaccessible for the specified dates.

Section 1 – Crack seal and Sealcoat 6/11 and Striping 6/12

Section 2 – Crack seal and Sealcoat 6/13 and Striping 6/14

Father's Day Potluck

Sunday, June 16th is Father's Day. There will be a potluck luncheon in the Navajo Room with serving to begin at 12:30. Please sign up on the Gazebo or Administration Building Bulletin Boards so we know how many to expect. If not enough people sign up by the 13th, it will have to be cancelled. The dish you will share needs to serve 8-10. There is no charge for the potluck. It will help if you bring your own table service. Lemonade and coffee will be provided.

Design Review Committee

The Design Review Committee will be meeting Thursday, June 20, 2:00PM, in the Hopi Room. Homeowners and builders need to submit their exterior home projects, including painting, and plans to the committee 5-7 days in advance of a scheduled meeting for approval.

Aquatic/Fitness Building Update

A contract has been awarded for the construction of the new building. A projected starting date is about the first of July. Residents have donated \$97,792.71, including 50/50 Raffles and bank interest, plus \$100,000 allocated from AWWHA funds. The exercise equipment will be moved to the Zuni Room for residents to use during the tear-down and construction.

In Memoriam

Curtis Eshelman, husband of Barbara, passed away May 15. He will be missed dearly by his family and friends in the Apache Wells community.

Mary Kennedy, mother of Mary Kahler, passed away May 19th in Fairmont, Minnesota, at the age of 106.
