Dumped off by his mother, Mae (Kyra Sedgwick), Walter is left with the eccentric Hub and Garth McCaan (Michael Caine and

Robert Duvall), who are rumored to have a hidden fortune. Little by little, amazing stories come to life via Walter's vivid imagination. Popcorn and sodas will be available. Doors open at 6:30PM, movie starts at 6:50PM.

Roof Rats

Roof rats have been seen in Apache Wells II. To discourage any from making their way to your yard, trim your trees up from the ground and away from your house, keep the fruit picked up.

Round Up

A reminder that you need to have a clothespin or a clip of some kind on your mailbox for the Round Up to be left at your house. By order of the U.S. Postal Service, the Round Up is not to be put behind the mailbox flag. Also, the 10th of each month is the deadline to have articles for the Round Up to the Homeowners Office via e-mail, CD or a memory stick.

Returning Residents

Be sure to stop in the office and sign the Returning Residents sheet. It is important that the office has your current mailing address. Please bring in a copy of your drivers license or the office will copy it to update our age verification.

Sunshine Acres Fund Drive

January is Sunshine Acres Children's Home Fund Drive month in Apache Wells. We have supported Sunshine Acres with donations of almost a half million dollars over the years, starting back in the 1960's. They do not receive any government funding. The home depends solely on the generosity of individual and group donations such as ours. Please be courteous to the volunteer canvassers when they come to your door and be as generous as your means allow. This is a very worthwhile cause. If you can volunteer to canvas a neighborhood, please call Kris Hansen at 985-3305.

Obituaries

Edward Erie passed away on December 10th. He was the father of Alana Knittel and Beverly Burckhard. A memorial service will be held on Wednesday, December 16th, 1:00PM at Love of Christ Church on the east side of Power Road, south of McKellips.
