MOVIE TIME

Friday, June 25th, at 12:30 and 6:30 will be the showing of “Did You Hear About the Morgans?”, which was postponed from May. Hugh Grant and Sarah Jessica Parker star in this delightful comedy about finding love in the most unexpected places. Two successful New Yorkers, Paul (Grant) and Meryl (Parker), are at their wits' ends with repairing their strained marriage. But when they become the only witnesses to a brutal murder, the police hide them away in Wyoming - together. Now these die-hard city dwellers will have to survive the weather, bears, fresh air, and forced time with one another if they want to make it out alive. The movie also includes Mary Steenburgen, Sam Elliot and Elizabeth Moss.
