## **AFTER CHRISTMAS RECYCLING**

Did you know that Apache Wells makes money on our recycling? Why not make it a New Year's Resolution and recycle as much as you can? Please read the signs so you only add the acceptable items in each bin. Imagine how much weight we can collect with all the holiday parties going on! Bring all glass bottles, plastic bottles, tin cans and aluminum beverage cans. No plastic other than bottles is accepted. No deli boxes, styrofoam and other plastics. Please, please break down all cardboard boxes when putting in the recycling bins. Please respect the volunteers working at the recycling area so they do not have to do the work that could have been prevented if we all read the signs and follow the rules. Pick up a bright green flier in the Homeowners Office if you are not sure of the rules. Post it inside your cupboard door for easy referral. Thank you.
