Architectural Rules Reminder

The purpose of the Architectural Committee is to review all proposed exterior changes, additions or improvements that homeowners wish to make to their property. This includes, but not limited to, fences, walls, masonry, paint colors, sight barriers, additions, storage sheds, golf course netting, installation of AC/Heating units, removal of an existing home and construction of a new home. Homeowners must submit a Project Approval Request form to the committee 3-5 days prior to a scheduled meeting for approval. Forms are available in the office. The committee meets on the 1st and 3rd Thursday of the month at 2:00PM in the Hopi Room. The next meeting is March 6.

Minnesota Party

The 4th Annual Minnesota Party will be held on Tuesday, February 25th from 4:00-6:00PM in the Navajo Room. Attendees should bring another friend from Minnesota, your own beverages, and an appetizer to share. Decaf coffee will be provided. Don't forget your name tag. If you came to the 2013 Minnesota Party you know what a fun time it was, great food, a chance to meet fellow Minnesotans and share your experiences when you lived in the Golden Gopher State full-time. Bring some stories of life at 40 below, if you remember those days. Last year we introduced "pass the microphone" where you could tell the attendees a little bit about yourself and listen to some stories from others. Aren't you glad that you are here in Apache Wells this time of year? It should be a fun get-together. Mark your calendars and see you there! For more information, please call Bobbi DeGeer at 480-807-3354.

Mariachi Pasion

Friday, March 7, 7:00 PM, Maricopa Stage, \$7 until noon, February 28 (\$10 after the 28th). Come enjoy the evening as we hear them play their violins, trumpets, bass guitars and tenor guitar while singing in Spanish and English.

HOA Meeting Schedule Feedback

President Peter Eikren has received suggestions of changing the monthly HOA meetings to late afternoons or possibly once or twice a year as many other HOA's do. He would like your feedback as to your opinion. If there is enough interest, the change would not take effect until next season. You may contact him by email at: tnpeik@arvig.net or leave a written message at the HOA office.
