## ***Library News***

The Library hours will be changing Monday, April 29, to the summer schedule. It will be open weekdays 9:00-1:00, and Saturdays 9:00-11:00. Please check you bookshelves, DVD, VHS, CD, and cassette players for forgotten genres that belong to the Library. We have empty holders waiting for the return of their contents. If you are leaving for the summer, you may check out audio books to make your trip more enjoyable, and then mail them back to the Library after arriving home. National Librarian Day is April 16, which celebrates and honors all librarians. When you visit our library in search of a particular book, or author, they quickly point you in the right direction, and they do so with a smile. Visit our Library on April 16th or today or any day, and make sure to say hello and "Thank You" to our volunteer librarians.
