To Whom It May Concern

Dear Sir or Madam

Re: SONJA GOESSERINGER May 20, 1954 Age: 60

Please be advised that Sonja Goesseranger is currently a patient under my care. She has significant medical illnesses including but not limited to

Chronic Fatigue Syndrome, Fibromyalgia, Osteoporosis, Chronic pain and Seasonal Affective Disorder that greatly affect her quality of life.

I feel that at this time she requires medical priority for housing especially since her current building is being sold.

Please consider her for urgent housing in an environment where she has her own kitchen and bathroom as outlined in the attached form.

Thank you for your consideration of this matter.

Yours truly,

Kathleen Doukas
