Awesome. And you spelled my name correctly, I am dually impressed. This looks like a great program. I left you a voice mail, when you get a chance give me a call. I will be here until 5 pm and on Wednesday. I will be out of the office on Thursday and Friday.

Subject: Castle Park Code Enforcement

Hi Elliott,

I have just started a "proactive code enforcement" program in Castle Park. My first "focus area" is Second Avenue between Naples & Emerson. I have attached the notification letter that is being sent to the property owners & residents along that section of Second Av. I have cc'd you for two reasons: 1) I hope that by seeing that the Police are aware of my program, the residents will be a little more cooperative with me. . .; and 2) There are a couple of properties that may have inop vehicles parked on the "street" or the "sidewalk" (but since there's no differentiation, it's hard to say) & I'd like to see if PD's Vehicle Abatement can/will accompany me & Dan one day during the week of 12/17 to start taking care of the vehicles while I start taking care of all the other stuff.

Is this something I can coordinate through you?

Thanks!

~Kristi
