EXT. STARLAND - DAY

PIKI lies by the edge of the CANDYCANES PIT, asleep. Her clothes are torn. FERTILIDAD gazes down at her. Beside Fertilidad is a BLOODY BATTLE AXE and PIKI'S STARLAND COSTUME.

FERTILIDAD

(to herself)

Ah, Piki! To think that I, Fertilidad, should
live to see such days!

Fertilidad shakes Piki vigorously.

FERTILIDAD (CONT'D)

Piki, oh Piki! Time for the leettle savior of the
universe to be waking up now!

PIKI

Unh?

FERTILIDAD

Seely-bones! No ees time for "Unh?", ees time
for rising and eh-shining!

Piki wakes up.

PIKI

POKO!

FERTILIDAD

No! Guess again!

(CONT'D)

PIKI

No, Poko, where is Poko?

FERTILIDAD

Piki, please! I, Fertilidad, just saved you from
the peet of the candycanes, and all you can
eh-say to me ees "Pokopoko"? Here, sleep into
sometheeng more comfortable.

Fertilidad picks up costume and begins to dress Piki.

PIKI

Forgive me Fertilidad! But my friend is in terrible danger, and...

FERTILIDAD

Piki, for ten thousand years...

PIKI

Unh!

CUT TO: PANORAMA OF
STARLAND'S HISTORY

FERTILIDAD (V.O.)

...StarLand, thees world of hot-blooded volcanoes and effeminate trees, has been in tune with the Celestial Dance-Mix. But now, something EVIL, something HIDEOUS, ees bumming us all out.

PIKI

Oh, too bad. Well, I hope you can find your dance-tape. Okay, thank you...

FERTILIDAD

And thees is where YOU come in! You, the girl from the other hworld, born to save us all!

PIKI

Yes. Well, maybe my cheerleading squad could...hold a bake-sale, to help out!

FERTILIDAD

(slaps Piki)

Estupida! Ees no time for fund-raisers. Put down your impotent pom-pom, and pick up the battle-ax of destiny!

F whips out HUGE BLOODY AX, and throws it at Piki. Without thinking, Piki double-backflips and catches it.

FERTILIDAD (CONT'D)

Esplendido!

PIKI

Pardon me, but whose blood IS this?

FERTILIDAD

The blood of the leetle girls who did NOT save StarLand! -Piki, there's not much time. You, and that other one, must fulfill the Prophecy, and become "Eternal Martial Arts Astrology Warriors!"

PIKI

Is this a takes-a-long-time-to-explain kind of prophecy?

FERTILIDAD

Piki, for five MILLION CENTURIES, we, the people of StarLand, have guarded a secret treasureÑthe PowerSkirt!

PIKI

Unh!

FERTILIDAD

Since TIME BEGAN no one has touched the SKIRT, no one has even LOOKED at it! The skirt... ees only... for.. YOU.

PIKI

For me? Well, where is this sacred apparel?

FERTILIDAD

(sobbing)

Oh Piki, forgive me! It was so cute I couldn't resist!

CU: the POWERSKIRT, on Fertilidad.

PIKI

Fertilidad, where I come from, we don't borrow other people's clothes without asking! -On the other hand, it does look cute on you.

FERTILIDAD

Do you really think so?

PIKI

Yes. Your legs sing under the pink umbrella.

FERTILIDAD

Ohh! Piki! How does the camera love me from
thees angle? And THEES? And THEES? How
about *thees*?

F strikes a few poses. A HELPER in the shape of a GIANT ORIGAMI
CRANE flies in, swoops up Fertilidad, and carries her off.

FERTILIDAD (CONT'D)

AY DIOSA! The forces of Evil! Only you can
save StarLand now, Piki!

Helper and Fertilidad fly out of view.

PIKI

Fertilidad? FERTILIDAD!!! Remember how you
were supposed to give me the magic skirt?

Pause. SKIRT hits Piki in the face.

CREDITS UP. END WEBISODE.
