as a back up

For new scouts attending summer camp: It is highly recommended that the scout takes swimming merit badge his first year (hint: he needs this merit badge to take life saving merit badge the next year). Remember to mix hard or medium types of merit badges with easy ones so that your scout has a good time at camp. Also look up Eagle required merit badges in your scouts hand book so that your scout stays on track. Again it's not how many he gets, its how many count toward advancement.

Second or third year scouts: highly recommended that these scouts take Environmental Science merit badge.(there is lots of writing of observations. Bring a binder/paper.)

Other important merit badges for older scouts: Orienteering, Pioneering, Climbing.

Remember to take merit badges that are not taught at troop meetings. We will teach the following merit badges: all the citizenship badges, communications, personal management, salesmanship, Family Life, Physical Fitness. Troop 2 also has their own trail to tenderfoot, trail to second class, and trail to first class program. So if your scout takes these at camp he's going to get bored at upcoming troop meetings.
