

Fall 2004

TO: Parents of Students in Mass Media – Fall Semester
FROM: **Mrs. Sarah French – Hahn (aka Frenchie), instructor**
RE: Potential films to be viewed

The following films may be shown as part of the curriculum of viewing selections, many of which are from the American Film Institute's "Best 100 American Movies." As parents/guardians, you have the right to have your son/daughter "opt out" of seeing any film if you feel its content is inappropriate. We will most likely not have time to view all the titles listed below. Due to time constraints, our viewing will most likely be limited to 15-20 of these titles. If any other titles (not listed below) will be shown, you will be notified.

As a requirement and a grade, your son/daughter is expected to return this form to me signed by you on or before Thursday, 8/19/04.

Optional titles and/or alternative assignments will be given to those students whose parents/guardians wish them not to view a particular film. There is no penalty to students who opt out, but they will be required to complete the alternate assignment.

Please place an X to the left of the name of the film(s) you **do not** wish your student to see. Feel free to call me during regular school hours if you have any questions or concerns about any of the films (348-5135), or email me at sfrench@greeleyschools.org. You may also visit the class website at www.angelfire.com/ego2/frenchie, which will keep you abreast on assignments and all other daily activities.

By signing on the lines below, we (student & parent/guardian) understand that any of these movies may be shown in class and understand that the student is responsible and will be tested (by traditional methods and by writing criticisms) over those movies shown in class. Unless marked with an X in the column left of the movie, my son/daughter has permission to view all listed films and understand that if the class views additional titles, notification will be given via the class website and possibly additional permission forms.
