

Spring 2006

TO: Parents of Students in Mass Media – Spring Semester  
FROM: Mrs. Sarah French-Hahn (aka Frenchie), instructor  
RE: Potential films to be viewed

The following films may be shown as part of the curriculum of viewing selections, many of which are from the American Film Institute's "Best 100 American Movies." As parents/guardians, you have the right to have your son/daughter "opt out" of seeing any film if you feel its content is inappropriate. We will most likely not have time to view all the titles listed below. Due to time constraints, our viewing will most likely be limited to 15-20 of these titles. If any other titles (not listed below) will be shown, your student will be notified in class and a notice will be posted on the class website.

As a requirement and a grade, your son/daughter is expected to return this form to me signed by you on or before Friday, January 13<sup>th</sup>. Optional titles and/or alternative assignments will be given to those students whose parents/guardians wish them not to view a particular film. There is no penalty to students who opt out, but they will be required to complete the alternate assignment. Feel free to call me during regular school hours if you have any questions or concerns about any of the films (348-5139), or email me at [sfrench@greeleyschools.org](mailto:sfrench@greeleyschools.org). You may also visit the class website at [www.angelfire.com/ego2/frenchie](http://www.angelfire.com/ego2/frenchie), which will keep you abreast on assignments and all other daily activities.

Please be mindful that daily participation points are awarded for viewing each day... if a student is absent for **any reason** other than a school event, there is no way to make up those lost points.

**Please place an "X" to the left of the name of the film(s) you do not wish your student to see.**

By signing on the lines below, we (student & parent/guardian) understand that any of these movies may be shown in class and understand that the student is responsible and will be tested (by traditional methods and by writing criticisms) over those movies shown in class. Unless marked with an X in the column left of the movie, my son/daughter has permission to view all listed films and understand that if the class views additional titles, notification will be given via the class website and possibly additional permission forms.
