At the close of my two-year reign of President I would like to wish the new President, Paul Puckel and Vice President Hiram Paley well. With these two I know CICCA's future looks bright. The 53rd CICCA Annual Fall Salon is now in the history books. Congratulations to all the winners, once again our CICCA members have illustrated the quality that can be found in amateur photography. I would like thank the Salon Chairpersons, David Schultz and Ryno Olson, with their committee members for all of their hard work. Obviously if it weren't for voluntary people power the Salons would not be possible. The judges (Wade Clutton, Lynda Stair, and James Reynolds) also did an excellent job. Their high quality standards have aided us in setting our own bars of higher quality. For those who attended the Fall Salon in Burlington, IA, thank you for your support. We had a great turn out of wonderful people to make a very enjoyable event. Sarah Bissell, outgoing President, Salon Chairperson.

Salon Practices: Several problems were seen at the Fall Salon that should require attention of all CICCA members. Print entries should have only one entry sticker visible (cover the old ones with plan paper) and it should be in the upper right corner. Prints must be mounted on proper size mount –
i.e.: 11 X 14 or 16 X 20 only. Slides entered should be meeting the qualifications of the category –
i.e.: Nature should not show the “hand on man”. The location of the club thumb mark should be checked before slides are sent to be judged. David Vinton, FCICCA Salon Practices Chairperson.

Champaign County CC, December 11. Paul Puckel, President of CICCA and a member of the Springfield 35 Camera Club, will present his slide show, The Holy Land, Israel, based on a trip he made there four years ago. January 22. Short slide shows by members. This has turned out to be a popular feature in our annual program. To be fair to everyone bringing slides, so that time is evenly distributed, there is a strict limit of 80 on the number of slides that a member can exhibit. Hiram Paley #02

Streator Pictorialist CC worked with the assigned subjects of advertising Photography and architectural details this fall. In October, an informative Program on Judging was presented by a member of the Chicago Area C. C. Association. Our December meeting will feature mini slide shows by the members. Linda Vandemark #24

Peoria Area Color Shooters Our November meeting will have slides from the PSA Nature Collection. This consists of about 200 Top Nature Slides. The Vinton's will show a few selected slides of trips in Door County Wisconsin. Our December meeting will have club member Carl Hilbert showing a travel program of his recent trip. David Vinton, FCICCA #13

Quad Cities CC is off and running. Our new club has had a couple meetings so far. At this point we are still encountering things pertaining to the mode of operating that we have not resolved yet. Things keep coming up that we had forgotten to include in the organizational plans. But we have some new members who are highly enthusiastic and some plans for future activities that sound like fun. Though most of our members are all old friends from the two former clubs, which merged, so the future of QCCC looks promising indeed and the New Year should be interesting.

In September Don Holtz, one of our newer members, gave a beautiful program on Colorado wild flowers. In October we had a workshop presented by Al Doyle from the Rock Island Camera Club. He brought glassware and his background setup to create lovely tabletop arrangements. In November we had another workshop. Connie & Ed Lower brought baskets full of photographic props and we spent the whole evening playing with black light set ups. Dorothy Stevenson, FCICCA #36

Photocolorists, met in October for a slide presentation by Marie Williams on “Borneo”. Members are busy working on their assignments. “Rural Scenes” will be judged in November. The fall colors are spectacular, so a lot of film is going through most members cameras. We are hoping to do well at the Fall Salon, Marie Williams, ACICCA #16

Shutterbug CC, continue to remain active, though at times in suspended animation. Attendance has not recouped since the summer months. Hope for the future!? Perhaps the CICCA SALON will serve as a catalyst. Sarah and her troops have become quite involved. I am sure they have spent many hours in preparation for a class A presentation. Hope all goes well and the machinery runs smooth and well. Harry McMurray, FCICCA #15
