

(Step 2) The Mirror image of the Mark is simply the engraved Stamp used to make the Mark on the skin.

(Step 1) The Mark as it would appear on the skin: translation is "Oh, Allah", with the swords of Allah at the bottom.

(Step 3) Now rotate the Mirror image 90° to the right.

(Step 4) Is this the image that John saw in his vision, and wrote what he saw, and in the Greek so happens to look like the number '666', or in the Greek written as 'χξς'? Did John simply make a rendition in the Greek of the engraved marker seen in Step 2, but at a 90° angle?
