CHECKLIST

- PAINTBALL MARKER
- HOPPER
- MASK
- CO2 TANK
- PAINTBALLS (1000 OR MORE)
- SQUEEGIE

NOTE: Please try to bring at least 1000 rounds of paint. Hopefully there will be some for sale, but I can't buy a ton of paint in hopes that I can sell it. Also, if you don't have a squeegee, invest in one or make your own. It's a pain to always ask to use other peoples, especially since breaks happen at the worst possible time. Does your team have a jersey or uniform? T-shirts with craft paint are easy, and we can't play Shirts vs Skins. Good luck, see you on the 24<sup>th</sup>!
