We, the officers and Directors of the Beloit Bowling Association, strongly urge all leagues officers to establish their bank accounts in such a manner that the monthly statements are mailed to the President for his inspection.

Presidents are responsible for the checking of the League Accounts.

All league Secretaries are to forward a copy of their BY-LAWS-PRIME LIST to the Secretary of the Beloit Bowling Association as soon as schedule is completed. All League officers should have a copy of the same.

All Secretaries are to forward a final AVERAGE SHEET to the Secretary of the Beloit Bowling Association as soon as possible after league schedule is completed. This applies to the male members of any mixed league. Please include all bowlers in this report regardless of the number of games bowled. We must have these averages in so the average book can be completed in time for the next season.

We also urge the LEAGUE OFFICERS to have one or more of their members to attend all ASSOCIATION MEETINGS.

We also urge all league officers to check all league rules. See 102-a-b-c-d-e-f, in A.B.C. playing Rules.

League sanctions should be in to the Local Association at least 42 days after the start of the season. Bonding for the League money is not covered until the sanction is in. Late individual sanctions can be obtained by the Secretary from the Local Association.

The Beloit Bowling Association sanctions on the INDIVIDUAL PLAN through A.B.C. The cost for 1975-1976 season will be \$2.25. Of this amount A.B.C. receives \$1.25 Beloit Bowling Association \$1.00. If sanctioned in another Association and bowling in our Association the fee is also \$1.00.
