- Attached to this circular is a set of examination timetables for the following examinations:

- School principals are requested to note the following dates on which the subjects with the greatest entries are examined:

	Saturday	1 April 2006 (AM)
AS Use of English	Monday	3 April 2006 (AM & PM)

The Authority would greatly appreciate it if schools could reserve the school halls/classrooms for the conduct of the above examinations when planning their school activities in the next academic year. A tentative plan for centre accommodation for the 2006 examinations will be sent to schools in September 2005.

- Please also note that for the 2006 HKALE, **A/AS Chinese History will be examined on 12 April 2006 (AM & PM)**, which may fall within the Easter break of some of the schools. In this connection, the kind assistance of principals is sought by making available the school halls and invigilation staff for the conduct of the examination.

Dates of Release of Results

- In order to help schools plan their calendars for 2005/2006, the dates of release of the 2006 HKALE and HKCEE results are tentatively fixed as follows:

HKALE	Friday	30 June 2006
HKCEE	Wednesday	9 August 2006

The 2006 HKALE results will be announced about one week earlier than previous years. It is hoped that such arrangement will facilitate candidates in making earlier decision regarding further studies or employment.

- Principals of participating schools are requested to draw the attention of their teachers and students concerned to the contents of this circular.
