

SNF-BV1™ Bovine Protein Extract **Promotes Health, Enhances Immunity***

Description:

SNF-BV1™ is a liquid, ready for direct oral dosing. It is manufactured using a proprietary process and available from D-J Nutraceutical Ltd. of Amarillo, Texas. **SNF-BV1** is water soluble, contains bovine proteins and is well tolerated when taken orally. Vegetarians will want to avoid this product because of its bovine origin.

Physical Characteristics:

SNF-BV1 is almost tasteless with no odor.

Recommended Use:

The recommended dosage is a 0.4 ml oral dose one to three times per day to "promote health and enhance immunity."*

Labeling:

SNF-BV1 is derived from cattle and is listed in the ingredient legend as total protein, albumin and globulin. For label and promotional purposes, **SNF-BV1** "promotes health and enhances immunity."*

Patents:

Pending.

Packaging:

SNF-BV1 is supplied in Exacta-Med® Oral Dispensers, 0.4 ml/dose. The oral dispensers are placed into a Ziploc® brand bag for shipping and storage. Additionally, the product is available in Corning® 1.8 ml vials containing 4 doses of 0.4 ml each.

Storage & Stability:

Store in a freezer. Rotation of stock is recommended.
