

## **My Love is You** *(Track 2 on Allagash - Live At Gullivers)*

So you're telling me you're stayed up all the night  
Now you're looking out your window you got the morning in your eyes  
And once again you have no love for anyone  
Not even for yourself you've emptied out your body and your soul your soul

Don't you run away cause you'd be hard to find  
Your absence would be painful for any length of time  
I know there'll never be another one like you  
The people couldn't take it you know they haven't got a clue

The only thing that keeps me alive my love is you  
Love is you my love  
My love is you  
Love is you my love

Your expression doesn't tell me anything  
If you don't tell me that's okay perhaps you will another day  
So listen to the voice that talks you through the night  
It's telling you what you should do and how one day you'll realize

The only thing that keeps me alive my love is you  
Love is you my love  
My love is you  
Love is you my love

My love is you, My love is you, My love is you, My love is you, My love is you, My love  
is you, My love is you, My love is you, My love

My love is you, My love is you, My love is you, My love is you, My love is you, My love  
is you, My love is you, My love is you, My love

My love is you, My love is you, My love is you, My love is you, My love is you, My love  
is you, My love is you, My love is you, My love
