The scene of the crime
(Yes a crime.)

A team of cops and forensic experts tried to reconstruct the entire suicide at flat number 703, including the manner in which she hanged herself. The apartment had no AC but there were two fans in the 10x15 hall, and Pratyusha was found hanging from the one closest to the door. The room had a wall-mounted TV and a showcase with the many awards Pratyusha had won, which was probably among the last things she saw. There was also a three-plus-one sofa set.

Pratyusha Banerjee was allegedly found hanging from the ceiling in a room in her house in the Mumbai neighborhood of Kandivali on Friday, according to reports from India news outlets. Police said no suicide note was found and they registered an "accidental death report," *The Indian Express* reported.

Banerjee, who was from Jamshedpur, hit stardom in 2010 when she took over the lead role in *Balika Vadhu*, a popular Indian television drama that premiered in 2008. It has been called the longest-running show in India with more than 2,400 episodes.

Mumbai Police DCP Vikram Deshpande had said, "The search is going on in the flat where apparently the prima facie suicide has taken place, EDR has been registered and we are doing investigation. It is too early to say the cause of the death."

According to sources, no suicide note has been recovered from Pratyusha's residence, where she allegedly committed suicide. Mumbai police is investigating the circumstances leading up to her death. Post mortem is being conducted at Siddharth Hospital in Goregaon West area of Mumbai.

WHEN

Friday April 1, 2016

When we woke up in the morning, the two of us ended up in an argument. Pratyusha started drinking and I was trying to convince her not to do it this early in the day. She did not listen to me. After a while, I too joined her.

At around 1 pm, I left home for some work. After almost an hour, I called her on her phone but it was switched off. After several attempts, she finally answered the phone. I asked her if she wanted me to pack lunch for her but she refused.

Also according to CCTV camera once Rahul left the apartment, the suicide happened. Later on, he returned with the key maker and discovered Pratyusha hanging to the ceiling fan.

WHY

I submit to you...

Pratyusha Banerjee was accidently murdered by Rahul

Raj Singh.

The suicide was staged.

I believe he had an accomplice, maybe Saloni Sharma,
maybe not.

Pratyusha was a young girl from a small town who rose
to stardom quickly. By every account she enjoyed life
and was a fighter, not someone that would give up so
easily.

Upon falling in love with the con-man Singh, she
drifted away from friends and family.

He was possessive, jealous and abusive, both
physically and mentally.

She was a successful working actor who eventually just
stopped working.

Though Singh had a life or three outside of their's,
this was *it* for her.

Financial problems.

Self medicating.

This can only last for so long.

I believe this was a case of domestic violence gone too
far.

Pratyusha was 5' 2".

With a 10' ceiling?

Even standing on the closest piece of furniture, on her
tip toes, drunk as has been reported, I have a hard
time believing she then wraps her dupatta around the
center of her ceiling fan and....

Sorry I don't buy it.

What will follow are my reasons why.

All I want to see is justice for Pratyusha and
her parents.

I believe Rahul Raj Singh will be convicted.
He should spend the rest of his life behind bars.

HOW I arrived at my conclusion...

Domestic violence

Main article: [Domestic violence in India](#)

[Domestic violence in India](#) is endemic.^[76]

Around 70% of women in India are victims of domestic violence, according to [Renuka Chowdhury](#), former Union minister for Women and Child Development.^[77] Domestic violence was legally addressed in the 1980s when the 1983 Criminal Law Act introduced **section 498A** "Husband or relative of husband of a woman subjecting her to cruelty".^[78]

The National Crime Records Bureau reveal that a crime against a woman is committed every three minutes, a woman is raped every 29 minutes, a [dowry](#) death occurs every 77 minutes, and one case of cruelty committed by either the husband or relative of the husband occurs every nine minutes.^[79]

People close to the couple describe Pratyusha's relationship with Rahul as "deeply troubled". A friend of the duo, whom HuffPost India spoke to at length near the premises of Kokilaben Hospital, said that the duo had major fights over money.

"She would do certain events out of goodwill, but Rahul had a problem with this. He would interfere and ask for money on her behalf, leading to several arguments between them," the common associate said, on condition of anonymity.

Close friend, actor Vivek Mishra says that Pratyusha's expenses had gone up recently as she was also paying for her boyfriend, actor-producer Rahul Raj Singh, but she was financially sound. "She was financially stable, however, Rahul was not. She was preparing for her wedding and told me that she will go on a break after that. She wanted to have a baby within a year. You have to be financially stable to make such plans," he says.

"Pratyusha liked being happy. She wanted happiness in her life. She didn't like being low. She would snap out of it even if she felt low at times," says Smita. In an exclusive conversation with India Today online, Smita Bansal opens up about the Anandi she knew.

Pratyusha literally grew up in front of us

Pratyusha was absolutely new when she joined Balika Vadhu. She literally grew up in front of us. She was 18-19 at that time. It was her first major show; she had come from a small

Pratyusha liked being happy

She was a very happy and loving child. And when you are happy and loving, you attract happiness also.

We were working together for 20 hours in a month and spent so much time in the make-up room. Neha Marda (who played Gehna),

Pratyusha and I particularly shared a very good bonding. I was the senior-most, but they never made me feel like a senior. Pratyusha used to say--let's go out together, and all three of us hung out a lot of times.

Pratyusha liked being happy. She wanted happiness in her life. She didn't like being low. She would snap out of it even if she felt low at times. People are saying, she had depression, but when she was working with me, I could not see any signs of depression. She couldn't have hidden it. She used to discuss all the details with us. She wasn't the kind of person who would hide her

woes. Even if she had a small argument with somebody, she used to discuss it and get her out of the system. It is difficult to believe that she had depression. But as they say, anybody could get a depression. It could be possible agar usey suddenly ho gaya ho. But she wasn't depressed at all and a happy person when she was working with me.

She loved life

I never thought she would do something like this. I would not like to comment whether she could or could not have committed suicide. Because I have come to believe that anybody can do anything. But there has to be some reason behind it. She loved life. She was the kind of person who used to start singing out of the blue. She was always updated about the latest movies and songs.

Don't think there was any financial trouble I don't think she had monetary trouble. I have been in the industry for 20 years. Paisa to aata hi rahta hai. She was constantly working. She did so many shows. After Balika Vadhu, she did Bigg Boss, Sasural Simar Ka, Jhalak Dikhhla Jaa etc. She used to do events also. How could she have no money? Even if you are doing one event in a month, there's enough money for a month. She was a very big name, she wasn't a nobody.

Pratyusha was excited about her wedding She was offered a lead role in &TV's show by Vikas Gupta, but she rejected it. You don't refuse work, if you have financial trouble. She wanted to take a break, get married and that's the reason why she didn't want to do another show probably. The last time I spoke to her, she was discussing what she wanted to wear on her wedding.

She wasn't the type who would get depressed about work. She wasn't insecure. And why would she be? She saw the heights of success. She became a star overnight.

Pratyusha was very close to her mother. She was loved by her mother. I have seen them together. She was so close to her mother. And she didn't even call her before she took that step. I find it very strange. What mental condition she must have been, is beyond me.

Pratyusha's body had a very faint rope mark on her neck which could be seen on the CCTV camera. Her left cheek was bruised and she had blood coming from her mouth.

But neither her eyes nor her tongue had popped out, which is normally the case when someone hangs themselves. Police are investigating to know further details.

“the suicide theory had loopholes”.

“There are injury marks on the body, grave wound on her nose. If she was hanged, those marks wouldn't have been there. She was a 5-foot girl, could not have hung herself to a ceiling which is 10 feet high,” she further claimed.

“(Pratyusha's) Parents are going to pursue a case against Rahul... If she was pregnant she would've been alive. The death certificate does not mention she was pregnant,” Vikas claimed.

Exclusive: After Suicide, Pratyusha Banerjee's Boyfriend
Rahul Raj Singh Runaway From Hospital

Share on:   

However the most shocking detail came when our sources at the Kokilaben hospital, where Pratyusha was taken after she was found hanging, revealed that Rahul himself came to drop her body and he scampered from the scene, with her cell phone!

Yup, you heard it right...the man had apparently taken flight with the one aspect that could get him linked to this. It's said he had switched off his own mobile, and police are already on his hunt.

Be on our website to get more details on this shocking case!

According to reports, it was Rahul who had brought Pratyusha to the Kokilaben Dhirubhai Hospital after he found her hanging from the ceiling fan yesterday evening at their Goregaon flat. As alleged by telly celebs Rakhi Sawant, Pooja Bose, Rahul's demeanor at the hospital was extremely disturbing. He was caught smiling and eating, while Pratyusha was declared dead by the doctors.

It is also being said that Rahul looked calm and unaffected by the situation during his stay at the hospital and left the place in hurry on pretext that he was booking flight tickets for Pratyusha's parents.

HUFFPOST

[A report on SpotboyE](#) says that hours before her alleged suicide, Rahul slapped Pratyusha as the couple had a very public fight at Goregaon's Carnival Cinema. The report also quotes a friend saying that Rahul would get violent, and there were times when the actress would sleepover at her friend's house.

He also said, "Pratyusha's bank card was also used by Rahul. And also, before the police reached the hospital following Pratyusha's suicide, why did Rahul run away? Big question. Only Rahul can tell each and everything!"

While speaking on Pratyusha being a victim of domestic violence, the lawyer said, the late actress had informed her friends of being physically assaulted.

According to the 'Balika Vadhu' actress' lawyer, after postmortem report, they think that Pratyusha was hit as well, reports a leading web portal.

Sandeep further said, "They (Rahul and Pratyusha) used to fight very often because of his ex girlfriend Saloni. I remember one and half months ago, Rahul and his ex girlfriend had an ugly fight in the building which is also recorded in the CCTV. Sonali had threatened Rahul and abused him and even hit Pratyusha in the lobby."

Currently the police are conducting postmortem and the reports will be out around 4 to 5pm. Stay tuned with Bollywoodlife for minute by minute details of Pratyusha Banerjee's suicide case.

Leena Dias, a common friend of Pratyusha and Rahul who claims to be a “rakhi sister” of Rahul, alleged that Pratyusha called her a day before her death, and said Saloni was torturing her and that she wanted to get out of the mess. “Around 3 am, a day before her (Pratyusha’s) death, she (Pratyusha) called me and was crying. She said ‘I want to get out of these things’. Whatever is happening with me is wrong. I asked her what exactly it was. She told me ‘I want to fight back, I can’t stay like this, I want to sort out these things and come out of this’,” Leena said.

“Pratyusha wanted to file a case against Rahul. She called a lawyer and then she wanted to speak to her (lawyer) the day the incident took place. On the very same day, she had an appointment with the lawyer and she had told many things about Rahul and finances and wanted to seek legal advice. Pratyusha wanted help legally because she was getting tortured someway or the other,” her lawyer in the suicide case, Falguni Brahmabath alleged.

One credible industry source and close associate of Pratyusha shared with us that the Balika Vadhu actress mentioned her more than once of Saloni wielding a knife to scare her.

"Once we met up during a shoot and witnessing her too tired I asked her what was wrong. To which she replied she spent a sleepless night because of Saloni, who visited their love nest to threaten her," added the source.

She added that Saloni was way too possessive about Rahul and blackmailed her with a knife at the parking lot of her apartment at Goregaon.

The source, who was a friend of the lady with a heavy heart shared, "We have seen Rahul living a reckless life. With Saloni being involved into the issue, we would ask her many a times to let Rahul go. But Rahul would eventually convince her that he loved Pratyusha and not the other woman. Moreover when someone blindly loves another person, no one can actually do anything about it."

What Actors' Friends & Family Say

Itna takleef diya mere beti ko itna takleef... All she wanted was to get married and be happy. I'm not going to let him get away – **Pratyusha's mother Soma Banerjee**

The fact that he was troubling her we knew, but to this extent we had no idea. She would call us sometimes and tell us about a few things... I've lost my daughter and I have nothing more to lose, but I cannot rest if he (Rahul) isn't punished – **Pratyusha's father Shankar Banerjee**

Pratyusha had called me around 3am on April 1 (the day she died) and said she couldn't live like this. She wanted to get out of the relationship – **Friend & wedding planner Leena Dias**

Pratyusha had called a lawyer to seek legal advice to lodge a case against Rahul. She was to meet the lawyer the day she died – **Close friend and actor Kamya Panjabi**

There is a lot of evidence that Rahul had physically assaulted Pratyusha. There was this one party where he had slapped her and many people knew about it. We will show the evidence when the time comes. There were marks on her face and nose – **friend and actor-producer Vikas Gupta**

I was surprised when Pratyusha came to our house in Ranchi with Rahul to talk about their plans of marriage. She said her relations with her parents had soured. Her parents had taken loans up to ₹50 lakh in her name. She was having difficulty repaying them. Sometimes, I used to send her money for expenses. She was aware that my son was a divorcee and we knew she had come out of a broken relationship. My son and Pratyusha wanted to move on and spend their lives together – **Rahul's father Harshwarshan Singh**

Rahul has been hospitalized. He has been calling out to Pratyusha and is not himself. We will move for anticipatory bail – **Rahul's lawyer Neeraj Gupta**

Rahul was booked by Mumbai police after Pratyusha Banerjee's mother, Shoma, filed a complaint at Gangurnagar Police Station. According to the police, Shoma visited Bangur Nagar police station on Tuesday afternoon and registered a First Information Report (FIR) against Rahul under sections 306 (abetment to suicide), 504 (intentional insult with intent to provoke breach of the peace), 506 (punishment for criminal intimidation) and 323 (punishment for voluntarily causing hurt) of the Indian Penal Code (IPC).

The Bangur Nagar Police Station in Mumbai's Goregaon suburb has started investigating Rahul Raj Singh's bank account after it was learnt that Rs 24 lakhs was withdrawn from Pratyusha Banerjee's bank account, reports The Times of India.

According to the report, Pratyusha's parents have claimed have said that Rs 24 lakhs was withdrawn from her bank account over a period of time.

Pratyusha's bank balance is currently zero. The police is still investigating. The police has said that Rahul was holding Pratyusha's debit and credit cards.

The only people that know for sure what happened on Friday April 1, 2016 are Rahul Raj Singh, the cook and the landlord, who were first to see Singh's reaction to Pratyusha's body and Soma and Shankar Banerjee who heard the sound of his voice on the phone.
I believe this was not a suicide, but a murder.

Pratyusha must receive justice.

The Final Reports of Pratyusha's Suicide Are Out! Read On! | PINKVILLA

<http://www.pinkvilla.com/>

**Today is April 23rd.
All this in 23 days.**

From the beginning, Prima Facie, there have been inconsistencies with reports on this story. When Rahul Raj Singh was first asked the simplest of questions, did he live with the deceased, he said there

was a 2 room flat that she had a key to, and so did he. What does that mean? In that exact moment of rushing your loved one to a hospital, one would think Pratyusha's boyfriend would be visibly distraught and say yes we live together and is she going to be alright!

I find it odd that only Singh's father has come to his defense. Everyone else interviewed felt something was just not right about this alleged suicide.

Everyone else but Saloni Sharma, whose statements to the press and police went from I've never spoken to Pratyusha before to Pratyusha broke up Sharma's relationship with Singh to I laid hands on them after they attacked me. I was only there to collect a debt.

As a backdrop to all of this is the reported fact that 70 percent of all women in India are the victim of domestic violence. Was there India's version of a good ole boy network taking place here? Pratyusha's parents believed so. Take Singh's extended hospital stay with no arrest. His bail relief upon his release. The high court denying Pratyusha's mother her day in court. Singh's answers to the question, was Pratyusha pregnant. First, no she was not to yes, I went with her to get the abortion.

Facts are, in January, Pratyusha's parents were asked to move out of Pratyusha and Singh's flat. Singh was a con man as reported by several other women including Sharma. He cleans out Pratyusha's bank account the day before she dies. Pratyusha is found with injuries to her face and body that are inconsistent with suicide. And the condition of the body was curiously missing important telltale signs of a suicide.

The timeline was as follows, on March 31 Rahul Raj Singh partied with an unnamed young lady arriving home around 4 am Friday April 1.

Pratyusha and he got into an argument sometime that morning. According to blood alcohol levels reported by the coroner, Pratyusha was drinking. Singh leaves the flat around 1pm. Supposedly speaks to Pratyusha on the phone sometime after, then arrives home around 5pm to find his 5' 2" intoxicated girlfriend hanging from their 10' ceilings ceiling fan.

He then rushes, what he wants us to believe is, his seriously injured future wife's body past the first available hospital to a hospital on the other side of town. He then leaves without notifying the police and with Pratyusha's cell phone. It has been reported that Saloni Sharma was seen at the hospital as well. If Sharma's statement of, their only

contact was to collect money Singh owed her is true, I find this a curious moment and location to collect a debt. I find Singh's reported demeanor at the hospital telling as well. Smiling and eating and matter of fact. He's free now to weave whatever tale he needs to to stay out of jail. Pratyusha is not here to defend herself. There are just too many inconsistencies.
To me, this just doesn't add up.
