Walt Disney Imagineering (WDI)/D23 pins for Cars Land opening in 2012 in Disney's California Adventure in Anaheim. This is a set of 24 pins, all of which are limited to 200. The pins are all "mystery" pins as they are sold in black plastic bags inside a box so you have no idea what you are buying. On the back it reads: "Walt Disney Imagineering, Disney California Adventure, Cars Land, Limited Edition 200, (c) Disney/Pixar."
