

**I see your Friend got to you. Obvious you are a Democrat!!! We all see how you responded to your FRIENDS questions using tricky words to dodge the meaning. That's clever in a Democrat sort of way.**

*Q - So why is the Hot Air Blogger promoting keeping more people on the Auditor's staff than the Linn County Supervisors think he needs to do his job?*

*A - Because they have been transferring his staff to other depts and if the next reduction goes into effect the Auditors office will be down from 52 not more than 2 years ago to 13.*

*Which will hamper his efforts to document their swilling at the public trough.*

**So - Its true - it is important to you to have a Democrat in office. Its important to you to have as many people as possible working for a Democrat. That's Great.**

*Q -"Constitution of the Republican Party of Linn County" "The purpose of the organization shall be, under one central committee ... to aid in every way the establishment of Republican principles and policies .... and assist ... in support of the Republican ticket."*

*A - Great Mr Friend has read part of the County Constitution, Had he read some further he might have discovered that the charge in the Constitution is active support of an opponent of a Republican nominee. I know our educational systems deterioration has lowered literacty standards but I would think that is plain enough that it would not be mistaken for supporting a Non-partisan office in their attempt to document waste in the County Government*

**I like how you ignored the purpose of the Republican Party and said its a non-partisan office. Great EXCUSE! This Democrat can't spell literacy either. Hahaha.**

**I love it that you never explained where you "aided" a Republican. I know you can't explain where you "assisted" and "supported" a Republican ticket ... because you never did. I would be disappointed if you had.**

**I think your blog is great for Democrats. We love watching you stir the pot and throw mud around at good Republicans. Thanks for never throwing any dirt at Democrats.**

**Thanks for supporting the Democratic Party and working to divide Republicans.**

**A FELLOW DEMOCRAT**

**The checks in the mail .... Hillary.**
