

*Abiding In Thee*  
by Jack Kealey

*Lord, paint me with rainbow colors  
So that all will clearly see  
That real joy fills my whole being  
As does hope, compassion and peace.  
And please set me under a soft, baby-blue sky  
With a calm, gentle soothing breeze  
So that others will sense the true haven of rest  
That's found by abiding in Thee.*
